OFFICIALS SENSE HUGE RING OF THIEVES

TOWNSHIPS' ELECTIONS ON TUESDAY

Several Contests Decided Through Lee County

In one of the quietest elections held in Dixon township in years, voters yesterday elected the following officials:

Assistant Supervisors—Leon Gar-

rison and Angier Wilson.

Assessor—Charles Eastman.

Justices of the Peace—J. O. Shaulis, Fremont Kaufman, Wil-

liam T. Terrill and Grover W. Ge-

hant.

Constables—E. A. Tayan, Char-

les Bott and William Dykeman.

At the same time electors in the

Dixon park district, the bounda-

ries of which do not coincide with

those of the township, elected

George B. Shaw to the park com-

mission. Ballots for park commis-

sioner were not handed out in three

of the township precincts because

of the variation in the electoral

units.

The tabulated unofficial returns

of the township election will be

found on page 5 of this issue of the

Telegraph.

SHIPPER DEFEATED

J. W. Cortright was swept into office as supervisor of South Dixon township by a vote of 251 to 88, defeating W. W. Shipper, incumbent. Frederick Glessner defeated Martin J. Dietler for the office of town clerk in a closely contested race by a vote of 171 to 164. Hallam L. Ackert, polled 241 votes to William A. Guphill's 95 for assessor, and Randal M. Green was unopposed for the office of justice of the peace, receiving 214 votes.

BROOKLYN TOWNSHIP

No marked opposition appeared in Brooklyn township election held yesterday which resulted as follows: Assessor—George Schuckel; Town clerk—Wilder Richardson; Justice of the peace—H. F. Cook and H. A. Bernardin; Constable—Chris Huly and Alex Jeanblan; school trustee—Grover Carnahan.

L. L. GENANT DEFEATED

Louis L. Genant, supervisor of Viola township and member of the road and bridge committee, was defeated in a hard fought battle yesterday, when Arthur Montavon polled 130 votes to Genant's 115 to win. Clyde Grimes was elected assessor; George Webber, town clerk; and Elliott Arnold, justice of the peace.

WYOMING TOWNSHIP

At the regular township election held yesterday, the following officers of Wyoming township were elected: Assessor—Harley Thomas; town clerk—S. T. Beale; justice of the peace—All. Burnett; constable—Walter Valentine; school trustee—Frank Rogers.

CHINA TOWNSHIP

(Telegraph Special Service) Franklin Grove, April 7.—There was no opposition to the ticket presented at yesterday's regular township election in the two China township precincts, the result being as follows:

Assessor, Guy Wasson; town clerk, Leroy Miller; justices of the peace, W. L. Reigle and Clarence Kelley; constables, Frank Ross and Roscoe Baker.

The local option question will be presented to the voters of Franklin Grove at the regular village election to be held two weeks hence.

DRIVE SITDOWN STRIKERS FROM HERSHEY PLANT

Farmers Opposed To Union Angered By Milk Paralysis

Hershey, Pa., April 7.—(AP)—Irate farmers and workers opposed to the union went into the plant of the Hershey Chocolate Corporation today and drove sit-down strikers from the building. The farmers, their daily market for some 800,000 pounds of milk paralyzed since the strike started last Friday, took matters in their own hands after they said sit-down strikers rescinded an agreement to come out by 1 P. M., the final deadline set by the milk producers and "loyal workers."

A fight broke out inside the ivy-covered separator plant which was one of the first buildings in the great factory and model town the 75-year-old Milton S. Hershey laid out in a corn field some 34 years ago.

A half hundred strikers came out, their hands upraised. Surrounding them and brandishing sticks and clubs, the farmers paraded the strikers between lines of jeering spectators.

Women Surrender

A short time later women strikers came out, their hands also upraised. The "loyal workers" farmers formed a gauntlet and swung clubs and bottles.

Russell Behnman, president of the local union, strode out. He had a

Billings Move to Dixon to Make Future Home

Ben Bernard Billinger of the sales department of the Reynolds Wire Co. has been joined here by his wife, two little girls, Beverly Anne and Patricia Donna; and his father, J. J. Billinger, and they have moved into the Dr. H. M. Edwards property at 521 Ottawa avenue, the Edwards having moved into their handsome new home on the north side. Miss Lucille Hiers, nurse, accompanied the Billingers to Dixon.

Mrs. Billinger is the former Lois White of Tulsa, Okla., a well known feature writer, having been connected with Oklahoma and Texas newspapers.

The elder Mr. Billinger was a resident of Chicago for 49 years and for 20 years was associated with the tax extension bureau of Cook county, in which position he made many friends and acquaintances throughout the state. Dixonites welcome these new residents.

PEORIA PLANT CLOSED, 11,500 WORKERS IDLE

Combined Picketing Sitdown Strike Brings Action

Peoria, Ill., April 7.—(AP)—A combination sit-down and picketing strike closed the Caterpillar Tractor Company's huge plant in East Peoria today and left its 11,500 workers idle.

Officials of the amalgamated association of iron, steel and tin workers of North America, an affiliate of the Committee for Industrial Organization, said it was a strike for the company's signature to a collective bargaining agreement.

Strikers estimated 200 sit-downers were enclosed in the assembly plant, heart of the mammoth factory which manufactures tractors, diesel engines and road machinery.

A company spokesman estimated no more than 30 employees remained inside on the sit-down and said these were joined during the night by some 50 men who sealed the fences.

A crowd estimated by strike leaders at between 3,000 and 4,000 men gathered for a time today on a street which bisects the company's property. They appeared shortly before the hour the day shift normally began work, but when no attempt was made by the firm to open the gates the crowd slowly dwindled.

Several hundred, designated by strike leaders as picket crews, remained in the vicinity.

For the most part the crowd was good-natured. One man was pummeled when he snatched down a cardboard sign displayed by sit-downers. A few minor disturbances attended the start of the walkout in the assembly room and a workman was injured.

Joseph Demonecourt, CIO organizer, said that at a conference yesterday company officials agreed to virtually all union requests, including the right of the union to act as bargaining agent for its own members. Union spokesmen claimed a membership of 6,500 among the employees.

Agreement Verbal

The agreement was verbal, however, Demonecourt said, and the strike was called to obtain a written contract.

Among the signs which strikers carried was one reading: "We don't want their word—we want their signature."

Company officials said working conditions included an eight hour day, 40 hour work week, time and a half for overtime and wages commensurate with the best in the industry.

A pamphlet distributed by the company to workers, setting forth various conditions of labor, was entitled, "An agreement between the company and its employees." It said in part:

"The above, in effect, constitutes an agreement between the company and its employees and shall remain in effect until such time as general economic conditions or other conditions beyond our control make changes necessary."

"We recognize the right of every employee to discuss with the management, in any way he pleases, matters affecting his employment."

'Dixon Days' Tomorrow, Friday, Saturday, Will Draw Shoppers to City

Merchants Expand Trade-Area With Each Effort

The regular semi-monthly meeting of the apparel, dry goods, shoes, furniture, hardware and kindred-line merchants was held at the Coffee House Tuesday evening with most of the active members present.

Through the activity of the members of this association "Dixon Days," an April merchandising event, has been instituted, which will present to the fifty thousand people living in the great Dixon trading area an opportunity to trade in a market offering many thousands of special values in everyday essentials. "Dixon Days" merchandising event, beginning tomorrow, will be a three-day opportunity to buy many articles at extraordinarily low prices. Thursday and Friday are individual days of special offerings of one-day priced articles; however, many special values are presented by active merchants that are not listed in the limited space of advertising.

Force Lower Market

The active members of this association are making special efforts by spending their time and going to extra expense in forcing a wholesale market to greater reduction, that people who trade in Dixon may receive the lowest possible prices. They are to be commended for their endeavor to make Dixon the great trading center that, geographically, is its foundation right.

In 1830 Dixon was founded because of the advantage of the geographic location and ever since this advantage has been recognized by state and federal authorities and today Dixon is one of the Illinois cities located in a cross-section of fifty thousand people served by seven state and federal highways and a network of community all-weather roads.

The merchants represented at the first April association meeting were: Eichler Bros., Kline's, Kreim furniture, Montgomery Ward Co., Boynton-Richards, J. C. Penney Co., Boynton Bros., Miller-Jones, Spurgeons, Scott Stores, F. W. Woolworth and R. & S. Shoe Co.

Many plans and activities were discussed for "A Greater Dixon Market of Values" for the fifty thousand people served by Dixon merchants.

Legislature Not Far Behind 1935 In Its Schedule

Springfield, Ill., April 7.—(AP)—Starting the last half of the regular session, the legislature today on the basis of total bills introduced last year behind the marks of the 1933 and 1935 assemblies.

So far, 288 bills have been introduced in the Senate and 614 in the House, a total of 902.

That represents two months of work, since the legislature didn't settle down to business until February.

The 1933 session set a record with the introduction of 1,889 bills, 1,609 coming in during the first three months.

Two years ago, there were 1,836 bills introduced, of which 977 were introduced in January, February and March.

The legislative reference bureau reported it still is getting a large number of requests for the drafting of proposed laws, indicating that bill hoppers will be filled during the following weeks.

Louis Will Rest Before Opening Serious Training

Chicago, April 7.—(AP)—Joe Louis apparently is out to store up a lot of rest before beginning serious training for his battle with heavyweight champion James J. Braddock at Comiskey Park June 22.

The Bomber, weary of trying to get his beauty sleep during his 30-day exhibition tour, went to bed as soon as he returned to Chicago yesterday. Co-Manager Julian Black said Louis would rest at home until Friday, then would go to Hot Springs, Ark., or West Baden, Ind., for a two-week "rest."

He will get down to work after the resort visit, going to the country for three weeks of road work and tree-chopping.

He planned to have Louis who weighed 295 pounds today, weigh 199 or 200 pounds for the big battle.

Off With a Bang

Dixon merchants are starting April off with a "bang" in presenting "Dixon Days" merchandising event. Thursday opens a three-day endeavor on the part of Dixon's leading merchants to draw business from a thirty mile radius, by offering outstanding prices in essential merchandise. Not only the wearing apparel, furniture and hardware merchants, but the food merchants, are making history for Dixon as a market of great values.

The food markets of Dixon are enjoying a thriving business which is accredited to the high quality of the foods offered in a low-price range. Volume in food sales make it possible for merchants to sell at a low-price because of less loss in perishable merchandise and operating cost per dollar sale. Dixon, today is represented by food stores as high class as those in any metropolitan area.

THUNDER CLAP SAY WITNESSES OF PLANE CRASH

Bomb-Laden Ships Exploded Killing Four Naval Fliers

San Diego, Calif., April 7.—(AP)—Reports that two bomb-laden planes "sounded like a clap of thunder" when they collided in mid-air, killing four navy fliers, were studied today by a naval court of inquiry.

"It is not true that there was any explosion," said Commander A. W. Radiard, naval contact officer at North Island air base after the tragedy occurred 40 miles offshore yesterday.

"A terrific explosion," was the description given by some of the eight sailors who told of witnessing the worst navy airplane accident here in 10 years.

The sailors, on shore leave, said they watched the two scout bombing planes load live bombs on the deck of the aircraft carrier Lexington and take off. One plane appeared to sideslip and fall on the other, directly under it, at an altitude of 500 feet.

Splintering Crash

There was a splintering grinding crash, followed almost immediately by a roar that "sounded like a clap of thunder," the sailors stated. A cloud of black smoke obscured them for a second. Then they plummeted into the sea, green and yellow flames shooting from the sides.

Victims of the accident were: Junior Grade Lieut. Ludwell R. Pickett, of Coronado, Calif., formerly of Pocahontas, Ark.

Junior Grade Lieut. Joseph J. Loughlin, Long Beach, Calif., formerly of Wilmington, N. C., only unmarried man among the victims.

Chief Machinist's Mate Harry M. Bradley, San Diego, formerly of Oceanside, Ia.

Aviation Machinist's Mate John J. Carney, first class, National City, Calif., formerly of East St. Louis, Ill.

Lieut. Loughlin's body was recovered.

RESCUERS HANDICAPPED

McNary, Ariz., April 7.—(AP)—Handicapped by a sudden spring thaw, swollen streams and snow three to ten feet deep, a posse of peace officers, mountain men and lumberjacks moved toward the blackened ruins of a fallen skyliner.

By midafternoon—possibly earlier—they expected to reach the burned bulk they believe contains the bodies of six men and two women who left Burbank, Calif., Saturday morning to "ferry" a luxurious Douglas transport to New York City.

LEE COUNTY OFFICERS IN ON ROUND-UP

Thefts of Past Two Years Part of Activities

A series of farm thefts in Lee county covering a period of more than two years is believed by Sheriff Ward Miller to be directly traceable to the operations of a gang of thieves, many of whom are now in custody in Ottawa, allegedly headed by George Cameron, who is in St. Margaret's hospital in Springfield. Chief Deputy Gilbert Finch returned home late last night accompanied by Sheriff Arthur Hamilton of Whiteside county after having spent another day questioning suspects held at Ottawa concerning thefts in this section.

"We are satisfied that two hog thefts which occurred in March, and numberless poultry thefts in Ashton and Reynolds townships several months ago were the activities of this gang," Sheriff Miller stated today. A set of harness which was reported stolen from the Clifford Hogard farm, four miles south of Dixon on state route 89, on July 29 of last year, was recovered Monday on the Alfred Cameron farm, three miles west of Clinton, Iowa, and returned to the owner today.

Chief Deputy Finch stated today that the activities of the Cameron gang in Lee county had been traced and accounted for the disposition of property in two thefts of recent date.

Trace Lee County Loot

Six Chester white hogs and a set of harness, stolen from the Frank Atkinson farm on the night of March 6, were taken by George Cameron and Frank Robinson. Deputy Finch announced this morning. The hogs were taken to the Cavanaugh fence farm west of Ottawa and then transported to a Chicago market. The harness was one of two sets found in an abandoned car on the streets of Jacksonville, Ill., where Cameron and Robinson left the machine after a minor wreck while on their way to Missouri.

Four head of hogs taken March 19 from the Hughes farm south of Amboy were unloaded at the Arthur Dicken farm, one mile southwest of Ottawa, the hogs being disposed of on the Chicago market the following day. Cameron and Robinson, the latter who is not in custody, but for whom wide search is being made, committed this theft, using the same stolen car that was taken when Cameron was shot last week by Sheriff Lawrence Eilena of Hennepin in Putnam county. Deputy Finch declared.

Numerous poultry thefts in Ashton and Reynolds townships in the east end of Lee county, Deputy Finch stated, were the work of the Cameron gang, the chickens having been hauled directly to Cameron's farm south of Ottawa, which he left in February.

In Other Counties

Sheriff Hamilton of Whiteside county secured information yesterday of other hog thefts in his county and Sheriff Delos Blanchard of Ogle county was also in Ottawa checking a theft of more than a score of hogs from a farm north of Ashton in Ogle county.

100 Actions Filed to Collect Taxes Due in Lee County

State's Attorney Edward A. Jones yesterday filed an even 100 cases in the action to collect delinquent taxes in Dixon and Amboy townships with Circuit Clerk E. S. Rosecrans. Action is taken against the delinquents in each township in separate bills, in which each delinquent and the amount of delinquency is set forth. There were 75 named in Dixon township and 25 in Amboy township.

Separate actions will be started against delinquents in each township in the county, in some of which there are but two or three to be named. These suits are now being prepared and will be filed as soon as completed.

State's Attorney Jones stated today that delinquents have an opportunity to make payment of back taxes and prevent the payment of approximately \$4.50 court costs each. This may be done before summons have been served by the sheriff, by calling at the state attorney's office on the third floor of the court house, where the amount of the delinquent taxes and the penalty may be paid, and thus evade suit and the court costs.

Greatest Admirer and Favorite Of Judge Admits His Word Law

Memphis, Tenn., April 7.—(AP)—At home, as well as at work, Chancellor Louis D. Bejachs word is law. His wife is the first to admit it because she is his greatest admirer and favorite pupil.

As judge of the Chancery Court, Bejachs decides legal disputes. When he leaves the bench he goes to the University of Memphis law school and teaches future lawyers how to win verdicts from future chancellors.

"I'm certainly no teacher's pet," Mrs. Wilena Roberts Bejachs said. "Studying law under my husband is harder than studying under the other instructors. Believe me, I try to know all the answers in his class."

"He doesn't help me with my lessons at home, either. He's busy at court all mornings and sometimes all afternoon. Then, when he has no classes to teach, he's preparing opinions."

Mrs. Bejachs, who will be graduated in June, began the study of law three years ago.

"I decided to study law principally because I wanted to understand my husband's work," she explained. "Then, too, I didn't finish college and I wanted a degree of some kind."

"I have no immediate plans for practicing law. You see, we have three children. I certainly will have to wait until they grow up."

13 Interested Citizens Attend Town Meet Representing \$39,285

There were 13 present at the annual town meeting which was held at the city hall yesterday afternoon at 2 o'clock. Mayor William V. Slothower was selected moderator of the session and presided while the reports for the past year were presented by Supervisor David H. Spencer and Town Clerk Walter Fallstrom.

Supervisor Spencer's report gave balances in three departments of the townships' funds as follows: Road and bridge fund, \$6,901.43; township fund, \$2,466.34, and the paper fund, \$1,857.77.

Announcement was made of a

plan to crush 10,000 yards of stone which Highway Commissioner James Devine plans to utilize in the resurfacing of several of the township roads.

The sum of \$39,285 was estimated as being necessary for township purposes for the fiscal year, 1937 which is divided into the following funds: Pauper fund, \$34,000; salaries of town officers, \$4,735; telephone and rental, \$300; supervisor's bond, \$100; contingent expenses, \$150. Both of the Dixon banks were designated as depositories to be used by Supervisor

D. H. Spencer.

Installation New Officers of White Shrine Impressive

Monday evening at the Masonic Temple, the newly elected and appointed officers of Corinthian Shrine No. 40 of the White Shrine of Jerusalem were installed in a beautiful and impressive ceremony, made so by the appropriate decorations of flowers and palms. At the appointed hour the retiring Worthy High Priestess, Ruth Kerz, welcomed the members and friends. The installation ceremony was largely attended.

The installing officers were: Mrs. Drucilla Banker, installing officer; Carrie Coe, Worthy Herald; Alma Coss, Worthy Chaplain; Florence Franks, Worthy Scribe; and Allan Read, Worthy Organist. These officers were escorted to the East by Mazie Hoberg, the inviting Herald.

As Miss Heinle received the obligation as Worthy High Priestess, sixteen members of the Shrine and friends of Miss Heinle surrounded her with lighted candles in jonquil cups, forming a beautiful picture, and then escorted her to the East. Her escorts were Fannie Ware, Mary Alice Buchanan, Beulah Tennant, Eula Wilson, Martina Gardner, Florence Bastian, Vera Thome, Lucille Weiss, Harriet Schults, Genevieve Eno, Lucille Hubble, Grace Smith, Frances Swartz, Alice Richardson, Lois Wolfe, Olive Cotta.

As Miss Heinle stood at the Altar, Floyd Smith sang a very lovely song "My Creed," which added much to the solemnity of the occasion. He was accompanied by Mrs. Read.

Orville Dodd, elected Watchman of Shepherds, will be installed at a later date. Harold Coss filled his position pro tem.

The following officers were then installed: Gernelle Suter, Noble Prophetess; Frances Patrick, Worthy Scribe; Maude Hobbs, Worthy Treasurer; Frances Schrock, Worthy Chaplain; Kathryn Beard, Worthy Shepherdess; Fern Grimes, Worthy Guide; Ethel Jamison, Worthy Herald; Gavin Dick, First Wise Man; Elwin Bunnell, Second Wise Man; Ray Gardner, Third Wise Man; Lloyd Lewis, King; Agnes Lewis, Queen; Cletha White, First Hand Maid; Rachel Kennedy, Second Hand Maid; Ruth Puffs, Third Hand Maid; Mrs. Allan Read, Worthy Organist; Jean Lindberg, Worthy Guardian; Louis Franks, Worthy Guard; Sterling Schrock, Color Bearer; Louis Franks and Lloyd Lewis, stereopticians; Lloyd Lewis, drillmaster; Allan Read, musician.

The guests were delighted when Miss Carolyn Bergstedt rendered several lovely solos, accompanied by Mrs. Dwight Chapman.

Miss Heinle in a few well chosen words very graciously thanked all who were responsible in any way for making the evening one of enjoyment and beauty. Miss Alice Buchanan had the pleasure of presenting Miss Heinle with a beautiful white gavel, a gift from her brother, Harold Heinle, of Lincoln, Ill. Miss Ruth Kerz, Junior Past W. H. P.,

was also the recipient of gifts from the Shrine and her officers.

After the installation, the guests enjoyed a dance held in the temple, thus terminating a very outstanding evening in the Shrine's history. Guests were present from Fulton, Morrison, Clinton, Iowa, Mt. Morris, Polo, Amboy, Rock Island, Rochelle, Peru, LaSalle, Sterling, Rockford, Chicago and Freeport.

California Home Scene Of Lovely Spring Wedding

Forced by rain to give up plans for a patio wedding, Miss Maude M. Hausmann and Hughes Brewster, instructors in German at Stanford University, were married March 21 in the living room of the Bayard Morgan home on the campus, at Palo Alto, Calif.

They stood in front of the fireplace which had been banked with fruit blossoms, hyacinths and other spring flowers for the ceremony performed by Dr. Willard Thorp of the First Congregational church of Palo Alto.

The bride wore an afternoon gown of heavenly blue sheer. Her corsage and the flowers in her hair were gardenias. She was unattended. Thirty-five relatives and close friends attended the ceremony and the reception which followed. Later, the newly-weds and members of the two families drove to the Villa Lafayette for dinner. In the group were Mrs. Brewster's parents, Dr. and Mrs. Edward M. Hausmann of Kewaskum, Wis., and her husband's brother-in-law and sister, Mr. and Mrs. Forrest Trautwein of Dixon.

After a spring vacation wedding trip Mr. Brewster and his bride will establish themselves in a new home they have bought in the foothills south of the campus.

The bride was a graduate of Northwestern University in the class of 1930 and has since done graduate work at Wisconsin and Stanford as well as in Germany. Mr. Brewster was a graduate of Stanford in the class of 1928 and has continued his graduate work there and in Germany.

Close Of School Best For Checkup On Child's Health

Urbana, Ill., April 7.—Early summer rather than just before school starts in the fall is the time to check up on Johnny's health.

Such is the latest suggestion from Miss Fannie Brooks, extension specialist in health, college of agriculture, University of Illinois, as parents throughout the state are reminded that May 1 not only is May-day but National Child Health day as well.

A health examination is best right after school closes in the spring because if there are health defects to be remedied, the child will have a long summer in which to recuperate, says Miss Brooks. Removal of tonsils or adenoids, filling of teeth or straightening of teeth will be much easier to accomplish and so so hard on the child during vacation. Eye defects can be found and remedied before the discovery is made by way of the red mark on the report card.

Pre-school children should be given a thorough physical examination not only on the body, eyes, teeth and nose but also ears, since poor hearing is one cause of backwardness in school. Immunization against diphtheria and vaccination against smallpox should be taken as good precautions for health.

MERRY MAIDS CLUB ENTERTAINED MONDAY

The members of the Merry Maids club were guests of Miss Josephine May at a 6:30 dinner, served at the Rice tea rooms Monday evening, after which they went to their hostess' home where "fifty" was enjoyed. Prize for high score went to Miss Nell Laing; the consolation award was given Minnie Buchanan and the door prize was won by Lucille Stultz.

Hosiery Is More Dominant Note In Fashions Of 1937

Urbana, Ill., April 7.—Novelty shoes and shorter dresses for 1937 spring and summer will be no lovelier than the hosiery allows, warns Miss Helen Eades, associate in home economics, college of agriculture, University of Illinois.

The many types of fancy hose featured will give a variety of choice to any woman, but must be selected from the viewpoint of wardrobe as well as weaver.

Characteristics of the featured hose for spring are pointed out as:

1. Hose designed to slenderize larger ankles and calves, including mesh hose with stripe effects running vertically and spaced about an inch apart and hose with lace inset clock in triangular shape.

2. Hose designed for the person with the very slender calf and ankle, such as mesh with stripes running horizontally.

3. Novelty hose with shadow and contrasting clocks, contrasting heels, lace and coronet toes and ankle charms.

Brighter and lighter hose designed to suit every taste from that of the person who likes the light, sunny shades to that of the person who can wear deep, rich tones in hose. For this reason and because dresses are becoming softer and more feminine, few bare legs will be seen. Hosiery hints to designers when shopping are: Determine length of foot of the hose by seeing if the length in inches equals the size labeled. Standard lengths of leg of hose are 29, 30, 31 inches. Short women will be wise to choose the 28-inch special length hose, and tall women the 32-inch special length, since hose too long or too short may develop runs through undue strain.

Shadows and rings should be avoided in hosiery.

LUTHER LEAGUE TO PRESENT PLAY

DAILY HEALTH

By DR. IAGO GALDSTON
Even You May Have T. B.

"It can't happen to me."

Yet tuberculosis did "happen" to John, freshman law student, crack oarsman and the picture of health. It happened to Betty, just turned 18, vivacious and carefree.

In fact tuberculosis shadows the lives of more than 100,000 young American men and women between the ages of 15 and 25. About 12,000 in that age group will die of the disease this year, many will be obliged to quit school or work and some shall have to give up cherished plans for a life career.

The evidence that tuberculosis can lurk in a strong young body is now complete. It is all too common to find young football and basketball players with hidden tuberculosis. The disease may hide in the lung for months without a telltale symptom.

Quietly it digs in like a treacherous enemy. Suddenly it may show itself by a hemorrhage from the lung. Or it may only hint at its presence by a cough that hangs on, loss of weight, indigestion or unexplained fatigue. By that time serious damage has already been done.

But it need not happen to you! You can take advantage of ways of discovering tuberculosis while it is yet in the "silent" or relatively

harmless stage. Should the evidence show that danger is ahead, prompt action will in most cases head off the disaster of serious tuberculosis.

There is a way to find out if silent tuberculosis lurks in the body. It is to have a tuberculin test made. This test, simple and harmless, shows whether the germs of tuberculosis have invaded the body.

If it is positive, take the next step—have an x-ray picture taken of the chest. This penetrating ray reveals on the x-ray plate damage that may have been done in the lung by the invaders.

In some high schools and colleges all students are offered the tuberculin test and x-ray—an excellent plan. The cases of serious tuberculosis discovered by these tests are fortunately few. But for these few, the gain is great. The others are given assurance that for them, tuberculosis, the disease that wrecks careers, does not threaten.

Remember, it can happen—but it is not likely to do so if you uncover tuberculosis by modern methods.

A. F. OF L. PRESIDENT SAYS SIT-DOWN IS ILLEGAL

"First, public opinion will not support sit-down strikes; second, temporary advantages gained through sit-down strikes will inevitably lead to permanent injury," said William Green, president of the American Federation of Labor, in a formal statement issued in Washington.

Mr. Green has a wholesome regard for public opinion in relation to actions either of capital or labor. Mr. Green has been of inestimable value to the cause of organized labor, because he is not one of the boys who demands things "Now!" He knows that either capital or labor can go only so far without encountering an adverse public opinion. That he has had a respect for that opinion has been of advantage to the cause he represents.

It is quite probable that leaders of the sit-down strikes are aware also that public opinion will not support sitting strikers in the unlawful pursuit of their objectives, but that they assume the attitude of "the public be damned."

In his particular observance of reactions of public opinion, Mr. Green has made that one of the essentials of a successful labor movement. It will be recalled that he stopped the general strike that was threatened in San Francisco about three years ago, giving as a principal reason that such a movement not only would not draw public support, but would incite the public to organized opposition that could not be defeated.

Mr. Green's statement has intrinsic strength because it says the things the public outside of the frenzied few knows to be true. The sit-down strike has been effective long enough to demonstrate that public opinion will not support it.

It is significant that Mr. Green accepts the law as everybody knows or ought to know it to be, against one person seizing the property of another. He does not quibble about what the law may be in some distant period or what it might eventually be held to be in the case of a sit-down strike. He stands apart from the quibblers.

"The sit-down strike has never been approved or supported by the American Federation of Labor because there is involved in its application grave implications detrimental to labor's interests," says Mr. Green's statement. "It must be disavowed by the thinking men and women of labor."

"First, public opinion will not support sit-down strikes. That means labor loses public support when any part of it engages in sit-down strikes. Without such support organized labor can not win strikes or establish and maintain itself as a vital force in the economic and industrial life of the nation. Labor can not afford to lose the support of public opinion."

"Second, temporary advantages gained through sit-down strikes will inevitably lead to permanent injury. The public generally will not long tolerate the illegal seizure of property. If persisted in it will through state and federal law-making bodies force the enactment of legislation providing for compulsory arbitration, the incorporation of unions and other repressive forms of legislation which will deprive organized labor of freedom of association and liberty of action within the limitations of both moral and statutory law. Such action would be a severe blow to labor."

"Labor should refrain from engaging in sit-down strikes and maintain its freedom of action and association rather than experiment with it and as a result be subjected to oppressive legal regulation and compulsory arbitration. Labor therefore runs the risk of losing more than can be gained by engaging in sit-down strikes. It must be free to strike against injustice and oppression and for higher wages and better living standards. It must be permitted to picket when strikes occur. It may be greatly restricted and perhaps denied the exercise of these elemental rights if it persists in engaging in sit-down strikes."

"I therefore publicly warn labor against this illegal procedure. Both personally and officially I disavow the sit-down strike as a part of the economic and organization policy of the American Federation of Labor."

SOMETIMES LIFE BEGINS AT 70

Regardless of the political issues involved in the Rooseveltian assault on the supreme court, considerable research has resulted from the president's idea that a man is washed up and ready for the shelf at the age of 70.

Dr. Lyman P. Powell, author, minister, college president and professor in time past, now at an age when he is supposed to be out of touch with the world, has written an interesting book on the subject.

Dr. Powell gives interesting psychological and factual information on the results of age, and reports are that the writing of the book began before the supreme court justices' age became a national issue.

It ought to go without saying that age itself, instead of being a handicap, should be an asset to one in a judicial capacity provided the effects of age have not yet affected mental capacity, either through lessened brain power, or indirectly through feebleness of the body. A psychologist could undertake profitably, too, to learn how even a slight mental impairment might be more than made up for by the accumulated knowledge of three score years and ten.

In brief, some men at 70 may be quite in touch with

the world. Others, even at 30, 40 or 50, might be totally unqualified to serve on the highest court.

Ida Tarbell, at the age of 80, continues actively in her work as biographer and lecturer. Von Hindenburg a doddering "old soldier" of the Prussian army, was taken from retirement to head the kaiser's forces, and everyone knows how his mental capacity threatened army after army of the allies. Clemenceau, French statesman, had just begun to fight when he was an old man. Foch of the French army was a genius at the age of 70. Opie Read, American author, was able to keep up with the world when past 70. John D. Rockefeller, when he attained his 97th birthday anniversary, was interviewed by Lincoln Steffens, and the writer declared the magnate's mind, memory and grasp of current events was excellent at that venerable age.

Kant, the philosopher, did some of his most marvelous thinking at the age of 74, turning out work after work with brilliant results. Tintoretto was a famous painter at 74. Verdi, the composer, produced the opera Othello at 74; Falstaff at 80, and that notable set of musical compositions, Ave Maria, Stabat Mater and Te Deum when past the age of 85.

Oliver Wendell Holmes, physician and author, also the father of a supreme court justice, was at the peak of his literary career at the age of 79. His famous son Justice Oliver Wendell Holmes, one of the supreme court's liberals, retired from the tribunal at the age of 90. Goethe completed his opera Faust when past the age of 80, and the poet Tennyson, at the age of 83 wrote one of his classics, Crossing the Bar. Commodore Vanderbilt, we are informed, added millions to his fortune when past 70.

CHRYSLER'S AUTO STRIKE IS SETTLED

Agreement Reached in Dramatic Mid- night Parley

By The Associated Press
Detroit, April 7—A dramatic, midnight settlement of the \$70-000,000 Chrysler strike that will send 85,000 workmen back to their jobs within two weeks was hailed today as the basis for permanent peace in the automotive industry.

Governor Frank Murphy, in whose office at Lansing the pact ending the month-old strike was signed by high officials of the Chrysler Corp. and the United Automobile Workers of America just before last midnight, expressed confidence that labor strife was near an end.

Spokesmen for both corporation and union pronounced the agreement satisfactory. Interpretations of the formula that solved the long-deadlocked issue of "sole recognition" varied, however.

The U. A. W. A. throughout the negotiations for settlement of the strike that began March 8 had demanded sole collective bargaining rights. Its president, Homer Martin, commented that "I don't see how it could be any other" since the agreement gave the union the "exclusive privilege in bargaining with the corporation."

B. E. Hutchinson, the corporation's finance chairman, said the compact was "non-exclusive" and "doesn't preclude our dealing with other unions."

Will Affect Others
Hutchinson said that calls would go out today or tomorrow for workers to report, and that normal operations would be resumed within ten days of two weeks. As soon as the 65,000 Chrysler employees resume work, 20,000 workers in supplier companies will return to their jobs.

Ward's Automotive Reports estimated today that Chrysler employees lost \$9,000,000 in wages during the first four weeks of the strike, which now is in its fifth week.

ing the first four weeks of the strike, which now is in its fifth week. Ward's also estimated that the automobiles which normally would have been produced during that period would have sold for \$60,000,000 at the factory. Added to that strike cost was a vast increase in the welfare load which probably approximated \$1,000,000.

Further Conferences
The settlement provided for further negotiations, to begin tomorrow, on such issues as seniority and methods of dealing with grievances. Today, Governor Murphy planned to bring together representatives of the U. A. W. A. and the Hudson Motor Co. and the Reo Motor Car Co. in separate conferences to seek a termination of strikes which have closed those plants.

A statement by Martin indicated that sit-down strikes in the motor-car industry were at an end.

The agreement provided that the U. A. W. A. would call no more sit-downs in Chrysler plants during the life of the pact, which is effective until next March 31.

The corporation granted the union bargaining rights for its employees who are members of the U. A. W. A. The union had asked for exclusive bargaining rights and called the strike when this was denied it.

Other provisions of the compact: Chrysler agreed to neither inter-

fere with employees joining the union nor discriminate against them for such membership, and also "to not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group of organization for the purpose of undermining the union."

No Intimidation
The union would not "intimidate or coerce employees" or solicit members "on corporation time or plant property."

In defining "employees" the agreement exempted foremen, assistant foremen, timekeepers, plant protection employees and "confidential salaried employees."

Union members would not engage in any "other stoppage in any of the plants" as well as "any sit-down or stay-in strike."

Matters not covered in the agreement will be negotiated in a conference opening in Detroit tomorrow.

"The union agrees immediately to terminate the present strike," Chrysler would reopen its closed plants "as soon as possible."

It agreed to "re-employ as rapidly as possible its employees now on strike at their usual work without discrimination against them for participating in the strike, and in accordance with the seniority rules of the corporation now in effect."

The company would seek dismissal of its injunction against the union and the U. A. W. A. would do likewise concerning its answer and crossbill.

The agreement and the supplemental one to be negotiated will be in force "until March 31, 1938, inclusive."

Walter P. Chrysler, chairman of the corporation; K. T. Keller, president, and other company executives, signed the agreement, along with John L. Lewis, head of the Committee for Industrial Organization, Martin and other labor leaders.

Hobby Show

Although the weather was distinctly unfavorable to those wishing to attend the Hobby Show at the high school gym on Saturday, the crowd was twenty percent greater than last year.

If the weather had been favorable it is doubtful if the crowd could have gotten in the gym. A feature of the show of this year was the excellent showing of the neighboring rural schools. Their exhibits were well done and well arranged and made a very impressive display. The teachers and pupils are to be congratulated on the manner in which they took up the idea of displaying their hobbies and carried it through. It is hoped that they will continue work on their chosen hobbies. All displays were excellent as could be seen by the way in which the spectators viewed them.

A new feature of the show was the poll of the visitors by high school girls on the question of what was the most interesting section to each one. Results of their questioning show that coins were the most interesting, match-folders were next, and hand-craft was third. A group of pictures taken, enlarged and exhibited by Mr. Durin of Scarborough attracted a great deal of favorable attention.

List of the ribbon winners follows:

Coins—Fred Durin, first; Wayne Archer, second; B. W. Ulch, third. Hand-craft—Maxine Eggers, Mrs. C. Rhodes, Mr. Mullins.

Stamps—Virginia Ulch, George Richardson, Mary Kutter. Miscellaneous—Allen McClen-then (nails), Fred Durin (pictures), Virginia Ulch (matches).

Miscellaneous—Mrs. Marie Miller, Mrs. Dee Thompson, Mrs. Marie Miller.

Scrapbooks—Mrs. Zaida Swope, Mrs. Ruth Holdren, Mrs. Ida Archer.

The manager of the affair wishes to thank the exhibitors, the judges and the spectators who made the show a success. Will anyone who has a suggestion for the improvement of the show give it to Mr. Thompson as it is his desire to make the affair more enjoyable to the public. All suggestions will be gratefully received. Plans are already under way for a bigger and better show next year, so please pass along your ideas and suggestions.

POETS' CORNER

MY SONG

Dust, dust, sweep and dust,
If I sing I will not bust,
Dust, dust on every chair,
Dust, dust, it's everywhere.

Clean, clean, scrub and clean,
Clean, Clean, I won't be mean,
Family running in and out,
I'll laugh with them and will not pout.

Rub, rub, rub and scrub,
Dirty clothes fill up my tub,
Swish, swish, rinse them fine,
Then I hang them on the line.

Sew, sew, patch and sew,
To my work I gladly go,
A stitch here, a stitch there
Will the damages repair.

Milk to strain and to cool,
If I'd complain I'd be a fool,
Enough to eat, enough to wear,
Health enough to do my share.

Cream, cream, rich and sweet,
Makes our butter hard to beat,
Fascinating is the churning,
Cream to golden nuggets turning.

Cook, cook, cook and bake,
Good things to eat, I can make,
Glad I am, glad as can be,
Dad can pay the bills you see.

Happy, happy all day long,
I can sing a happy song,
Dad and me, our children three,
Why, we're as well off as can be.

GROCERS' WEEK BEING OBSERVED THROUGH U. S.

The second annual National Retail Grocers week is being observed in Dixon and throughout the nation this week, with the stores dressed in gala attire for the occasion. All the important manufacturers and distributors are taking a hand by providing grocers with special displays, group arrangements, price specials and other methods of attractive presentation.

Two national contests are under way. One of them is the Ideal Grocery Contest, which is being organized for the special purpose of familiarizing young girls with the grocery phase of housekeeping.

The other is a contest to find the oldest grocer, in point of continuous service, in the United States. Determination of this person will be the basis for a wide publicity campaign designed to interest the public at large.

Underlying the instruments of exploitation adopted for this year is the theme: "It pays to know your grocer." Through all avenues of

suggestion possible it is the aim to encourage a closer personal acquaintance between the grocer and his public. It is also the aim to emphasize the important position occupied by the grocery trade in every community and neighborhood. The character of the modern friendly, trustworthy and enterprising grocer is emphasized by newspapers.

Everyone in the grocery trade is invited to send in the name of the oldest active grocer with whom he has an acquaintance or information. The association will pay \$25 in cash to the one whose nominee proves to be the oldest. Any person who has an idea he knows a grocer old enough to be a candidate should send the name to National Association of Retail Grocers, 360 North Michigan Avenue, Chicago, with such information as will be appropriate as to years of service and age. It may mean \$25.

ALABAMA STORM CAUSES FLOOD; TWELVE DEAD

Montgomery, Ala., April 6—(AP)—Flood water menaced southeastern Alabama today while the south counted 12 killed by week-end wind and rain storms.

Yesterday's rainfall of two to ten inches over the central southern tier of Alabama counties sent the Conecuh, Pea and Chatahoochee rivers racing past flood stages and drove dozens of families from low-lying homes.

Weather bureau observers said they were unable to estimate the crests of the three relatively small streams, but the inundation of hundreds of acres of farm land was feared while the rain load was being carried through southeastern Alabama and northwestern Florida to the Gulf.

A precipitation of one-half to four inches was the rule from eastern Texas to the Carolinas yesterday, while winds of near tornado force centered their attack on Alabama, killing six, injuring 29 and destroying thousands of dollars worth of buildings.

A Sunday squall on the fringes of yesterday's disturbance caused the first fatalities when six were drowned after two boats overturned in a lake near San Antonio, Tex.

HORNER WARNS LEGISLATURE ON FINANCES

Says Appropriations Over Income Mean Taxation

Springfield, Ill., April 7.—(AP)—Governor Horner warned the legislature today that passage of appropriation bills exceeding anticipated income would bring increased taxation.

Asking the legislature to junk all appropriation bills which are "not inescapably essential," the governor in a message to the General Assembly pointed out that already he is working to trim existing requests by nearly \$19,000,000 during the next biennium to meet anticipated income.

The imposition of new taxes, the governor's message said, "we all desire to avoid, but it can not be done unless the legislative and executive branches of government scrutinize, each in its turn, all requested appropriations and refuse those not imperatively essential."

Stating that pending appropriation bills, exclusive of those contemplated in his provisional budget, now total more than \$58,000,000, Governor Horner asked "that you give most careful consideration to all pending appropriation bills so that you may eliminate at the outset all which are not inescapably essential."

However, soon after the governor's message, was read, the Davis bill appropriating \$798,872 for some 1000 financially pressed high schools in southern Illinois was passed as an emergency measure, 115 to 0 and sent to the Senate. No provision for high school aid was contained in Governor Horner's provisional budget.

School Request Largest

The largest single appropriation request not covered in the provisional budget is one in which school lobbyists seek to increase the state distributive fund to schools from \$13,000,000 to \$29,000,000 annually. Many smaller appropriation bills have been introduced.

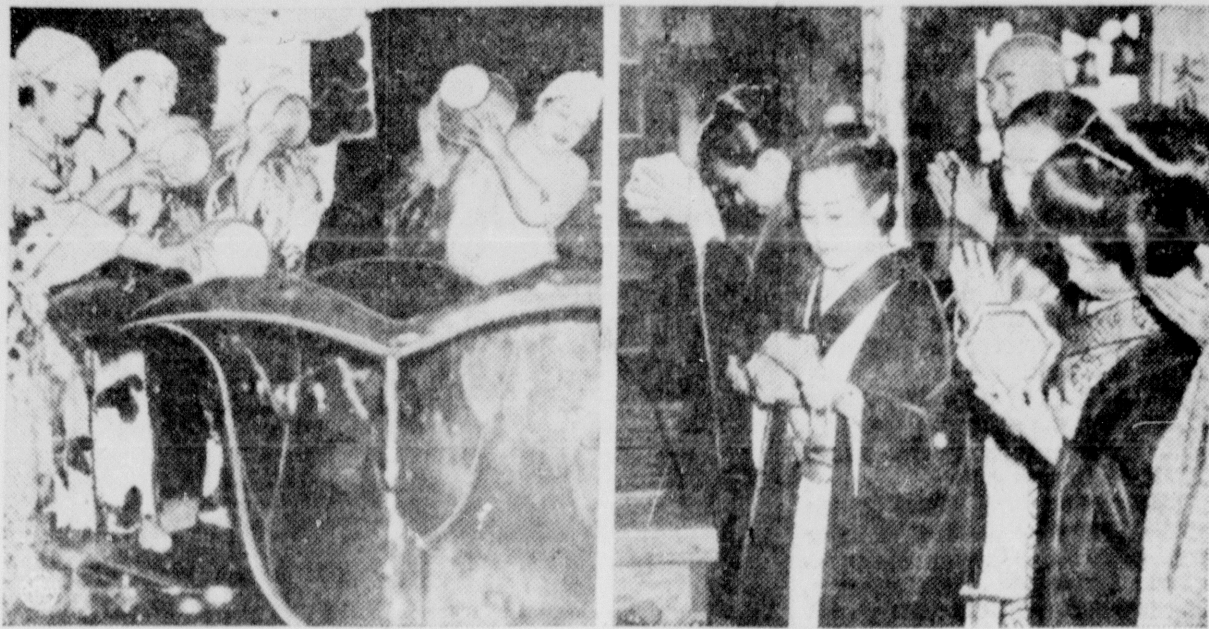

The governor's message said in part:

"x x x With growing apprehension I have noted that pending appropriation bills—bills contemplating expenditures not included in the budgetary requests received prior to March 9—are rapidly mounting in total and now exceed \$58,000,000 if these are adopted. And this sum added to the \$18,484,288 already requested by state agencies in excess of prospective receipts, aggregates the enormous sum of over \$76,000,000 in excess of prospective income of the state. It is the province of the legislature to pass any or all of these pending appropriation bills. I realize also that the enactment of any or more of these pending bills—I refer only to such bills not included in the provisional budget—will further unbalance the budget. May I repeat the statement I made when the original budget was submitted: A balance budget should be our joint objective without recourse to additional taxes or revival of the state property tax or diversion of necessary special funds."

In his message Governor Horner said "some progress" was being made in conferences with constitutional and code officers and the heads of other tax-expending agencies to bring the budget into balance.

STATE SUPREME COURT COLD TO CONDEMNED MEN

Refuses To Intervene In Their Behalf To Stay Execution

Springfield, Ill., April 7.—(AP)—The State Supreme Court refused today to intervene in behalf of Stanley Murawski and Frank Whyte, under sentence to be executed Friday, April 16, for the murder of Policeman Michael Toth in Chicago.

The court's denial of a writ of error and supersedeas in the case leaves a pardon by Governor Horner as the only other apparent possible avenue of escape.

The court also denied a motion for a supersedeas and bail to Peter Bendix, Peter Stankus and John Josephitis, Cook county election officials, under sentences of one year imprisonment for fraud at the polling place of the fifty-seventh precinct of the eleventh ward. The appellate court of the first district affirmed the sentences imposed by the Cook county court in the case.

Mandamus Issued

A writ of mandamus was awarded by the court directing Sheriff John Toman of Cook county to take into custody Julius P. Waitch and three other persons under one year jail sentences for contempt of court in connection with the settlement of the estate of James Thomas Kelly, "The Flip-house miser" of West Madison street.

The court denied Attorney General Otto Kerner a rehearing on the court's February decision holding unconstitutional the three per cent sales tax on public utilities. The legislature since has enacted a new utilities tax law.

"City officials of Chicago were denied a rehearing in the case of Chicago firemen and policemen who sought reinstatement after their retirement, under an act of the legislature in 1935. The court held the act invalid at its February term.

CHURCHES

BRETHREN CHURCH

The Bible class of the Brethren church had a social at the church last night, with a good attendance and fine interest. Mrs. Miles McClain had charge of the business.

Rev. William E. Thompson read the 12th chapter of Romans as a scripture lesson, and led the group in prayer. In the absence of the secretary, W. W. Lehman acted as secretary, who presented William Dickey who recently returned from California where he spent the winter. His talk was very interesting and much appreciated. He will tell more about his visit there Sunday night when he will refer to the work being done by the churches.

Refreshments were served, and after a social period the group departed for their homes.

WOMEN TAKE SUGGESTIONS

Columbia, Mo.—(AP)—Missouri farm women adopted from women's extension clubs in 1936 more than a quarter of a million suggestions on how to do a better job of homemaking, according to an estimate by Amy Kelly, home economics professor at the Missouri college of agriculture.

NEW WAGE SCALE FOR PMA MINERS HALTS STRIKE

Agreement Reached After 12 Hours Negotiations

Springfield, Ill., April 7.—(AP)—Assured that their new wage scale contract when finally negotiated will be retroactive to April 1 approximately 500 striking progressive miners at mine "B" here returned to work today.

The agreement between the coal producers association of Illinois and the union's scale committee was reached last night, about 12 hours after the miners refused to go to work until granted pay increases of 50 cents daily to conform with the new United Mine Workers scale. Joe Ozanic, president of the union, said the miners agreed to call off their strike when informed of the new development.

The strike yesterday, the second since the old contract expired March 31, was called without the consent of state officers and in disregard of a working agreement that the mines continue to be operated on the old scale until a new one was reached. A group of progressives staged a one day strike at Pana Saturday over the difference in wages.

Locals Notified

All of the progressive union's locals were notified last night by telegram of the agreement under which the new contract's daily wage scale would apply from March 31, the expiration date of the 1935 contract, on, and reassured by President Ozanic that the scale committee would conclude the new contract negotiations as quickly as possible.

Coal men here assumed that the progressive miners, in view of the \$6.00 agreement reached at the eastern negotiations between coal operators and the United Mine Workers, would lower their original \$7.50 basic pay demand to the \$6 figure.

HEAVY RAINS IN NORTH ILLINOIS DELAY GROWTH

Springfield, Ill., April 7.—(AP)—E. W. Holcomb, meteorologist, reported today that heavy rains have delayed field work and growth in northern Illinois where both are somewhat to considerably behind normal advancement.

He said oats are half to completely sown in the central and southern sections of the state, but that practically none has been planted in the northern division.

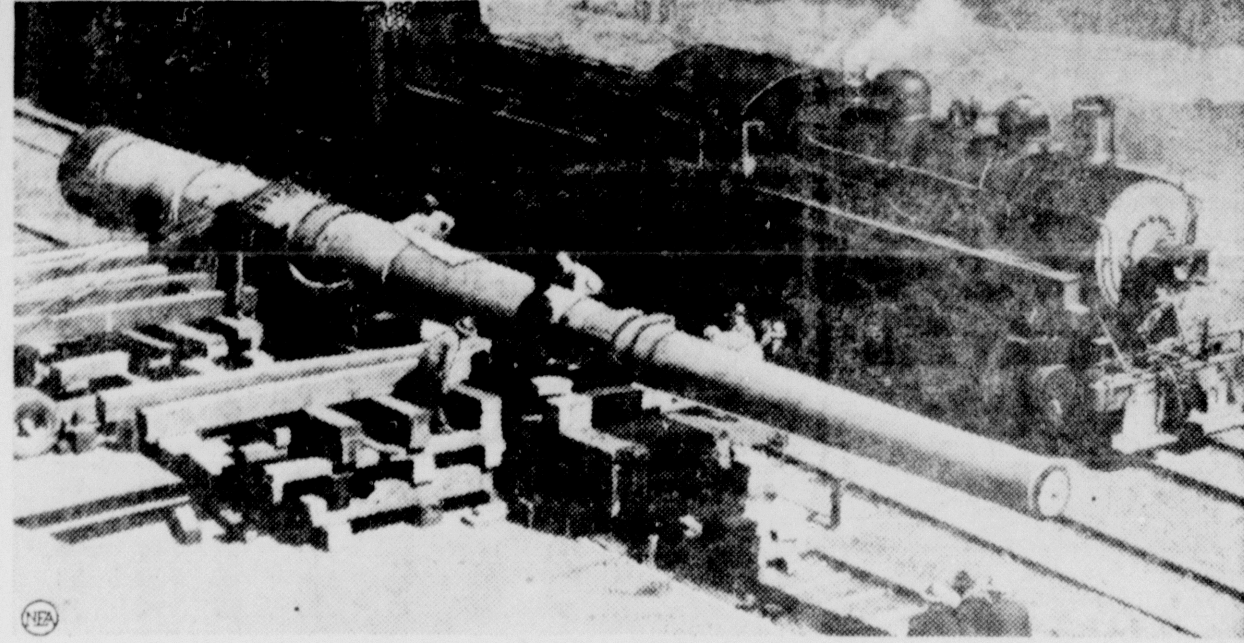

"Winter wheat condition is mostly average, although considerable in the central portion still is in poor condition," he said. "Rains generally have benefited winter wheat and reduced the damage previously caused from heaving of the soil."

"Warm weather is important to promote growth as the bulk of winter wheat is only one to three inches high; stand is variable but improving. Meadows and pastures are backward; considerable meadow re-sowing is necessary. Peaches are beginning to bloom in the extreme south."

The weather bureau said the week ending Tuesday was mostly cloudy, wet and cold for the state, with precipitation of nearly daily occurrence in many sections.

Good Prices For Soybeans Seen Until Harvest

Urbana, Ill., April 7.—(AP)—Good prices for soybeans until the new crop is harvested were predicted today by W. L. Burdison, head of the agronomy department, University of Illinois college of agriculture.

He said oil prices and seed demand were expected to support the market, but added a less favorable outlook may be in prospect next fall if production is as large as acreage intentions indicate.

The nation's farmers have reported to the U. S. bureau of agricultural economics their intentions to plant 6,500,000 acres of soybeans, about 12 per cent more than the acreage harvested in 1936. Illinois farmers indicated they would plant 2,098,000 acres, as compared with 1,793,000 last year.

High School "Open House"

The sixth annual "Patron's Night" will be held at the Princeton township high school on Friday night, April 9.
The program is going to start in the auditorium at 8:30. The Boys' Chorus, directed by Miss Fry, will sing "The Pirate's Song" and the "Caisson Song." The band, under the direction of Mr. Lowry, will play "Warming Up" by M. H. Ribbie and Saskatchewan by G. E. Holmes. Dexter Nelson is going to play a sousaphone solo and a brass sextette will play "Memories of Stephen Foster." Mr. DeLay's public speaking class will present the play "The Pick Pocket," written by Duncan Bryant, a member of the creative writing class.

Following the auditorium program, the patrons are invited to visit the various classrooms. Explanations and demonstrations will be given in each room by members of the first period classes. In this way the work will be even more as it is in the classroom than it has been in previous years, when chosen students have explained the work to the visitors.

The last part of the "Open House" entertainment will be given in gymnasium by the department of physical education. An outline of this program is as follows:

1. Sports parade.
2. Clogging—Freshman girls.
3. Games—Freshman boys.
4. Tumbling—Freshman, sophomore girls.
5. Apparatus tumbling—Sophomore boys.
6. Tap dancing—Sophomore girls.
7. Wrestling—Sophomore boys.
8. Folk dancing—boys and girls.
9. Health is wealth.

Anyone who is interested in school and in what Princeton township is doing along educational lines is invited to attend.

Athletic Benefit

The Athletic Benefit of April 2 was a success in more ways than one. The ticket sales approximated 800 and the profits was estimated to be between \$75 and \$80. The faculty defeated the students in the basketball game, 18 to 14. This might be called a success in that it succeeded in keeping the faculty's basketball record clean.

The program in the auditorium included these tableau characters:

- Mr. O. V. Shaffer—Roger Bickmeyer.
- Rev. Acheson—Dexter Nelson.
- Gov. Horner—Bendy Nathan.
- Amelia Earhart—Loretta Brown.
- Adolf Hitler—Al Moser.
- The Jew—Curtis Salmon.
- Mussolini—I. Klass.
- Haile Selassie—Herbert Storrett.
- The Quintuplets—John Cable.
- Kenneth Nelson, Gerald Edwards.
- Harold Stanard, Dick Kopp.
- Juvenalia Supper.

The creative writing class joined

with the public speaking class of P. H. S. honoring the debut of JUVENALIA by a covered dish supper. Those present besides the two classes and their guests including the English department, Mr. and Mrs. Shaffer, Miss Ashdown and Ted Duffield. Mr. Duffield gave a resume of the booklet. Following this part of the program, a play, entitled "The Pick Pocket," written by Duncan Bryant was presented by the public speaking class.

Hammond Organ Demonstrated
Monday morning, March 29, students of P. H. S. were given a treat when Miss Donnabelle Fry demonstrated the operation of the Hammond electric organ which had been used the previous evening for the Easter choir program. Miss Fry played several numbers to demonstrate the different tones, volume, etc. Mr. Shaffer expressed hope that sometime in the future the school might be able to purchase one of these organs.

College Choir Sings

Princeton high school students were extremely fortunate on last Friday in being able to hear the Gustavus Adolphus College choir in an assembly program.

Before the choir sang, Doris Parr, who participated in a music contest at Mendota the next day, sang the two selections that she was to sing in the contest. They were "All the World's in Love," and "Sandman is Calling."

The Gustavus Adolphus College Choir opened their program with the male chorus singing the "Viking Song." The girls chorus then sang "Sweet and Low." After the girls sang another number the choir sang "Beautiful Savior," and their college song, "Gustavus Adolphus."

Prolonged applause followed these selections, but as time was limited an encore was not given.

"Pep Assembly"

Tuesday morning, March 30, the students held a "pep assembly" in preparation for the All Star-Faculty basketball game which was played during the athletic benefit last Friday.

Several students rose at their seats in the assembly hall and gave reasons why the All Stars would surely beat the Faculty, all of the speeches being humorous and nonsensical. A few of the faculty members responded in behalf of their team.

Both sides enjoyed the assembly, which mimicked those usually held for the intramural games.

Societas Latina

The Societas Latina met Friday April 2. Ted Heck gave a reading "Amusements in the Lighter Vein." Then a picture game and word contest were played. Marlowe Morgan and Norma June Steele were each given a pencil for having the most correct.

Library Circulation

Circulation of books for March: March 1-5—128 books.
March 6-12—97 books.
March 13-19—116 books.
March 20-31—85 books.

Older Girls Conference

Saturday, April 3, an older girls conference was held at Kewanee at the Y. M. C. A. under their auspices. The purpose of the conference was to open the Y. M. C. A. building to girls. Mrs. Grace Overton from Chicago was the speaker for the day. There were 266 girls registered from approximately 32 towns. From Princeton Miss Ashdown, Madge McPherson and Margie Fendelman attended this conference.

Sophomore Party

The sophomore class is planning a party to be held at 7:30, in the high school cafeteria. The price of admission has to be charged since the class is not wealthy, is only ten cents. A good program has been arranged, and the food promises to be different from the usual ice cream and cake. The following committees are working to make the party a success, but they alone can't make it a success or a failure. That depends on each of you, sophomores.

Entertainment committee: Bob White, Phoebe Nichols, Dale Duffield, June McCall and Dortha Battin. Food committee: Jane Walker, Ruth Nelson, Raymond Norin, Ellsworth Loberg and Pearl Jenkins. Decoration committee: Dorothy Skinner, Frances Nienaber, Dick McCall and Riley Thompson. Clean-up committee: Dexter Nelson, Ted Heck and anyone else who will offer.

Junior's Have Class Party

Saturday, April 3, the Juniors held a rather novel class party. The group met in the science lecture room of the high school. Two movies were shown in this room. First a short comedy then a longer feature starring Jean Harlow and Jackie Searl, popular movie stars. The group then moved to the cafeteria where the refreshment committee served ice cream and cake to 45. After the refreshments, dancing to radio music was enjoyed.

Freshman Hi-Tri

The Freshman girls met for their monthly meeting of Hi-Tri, March 31. The meeting was called to order by the president, and the minutes of the last meeting were read. Then Mr. Shaffer talked about registration for next year and the subjects available. The meeting was then adjourned.

F. F. A. Meeting

The Princeton Chapter of the F.

ture Farmers of America met in Mr. Fleming's room at 7:15 Wednesday, March 31. It was decided to hold the second annual Future Farmers' banquet on Tuesday, May 18. This event will follow the Section IV judging contest which is to be held at Mendota on May 4. Committees will be appointed in a short time. After the meeting was adjourned, basketball was enjoyed in the gym.

Sport Lites

The "All Stars" were taken Friday night by the faculty, 18-13. Harold Sapp was the outstanding high school representative. Eugene W. thinks he is good, too. . . . Richard H. doesn't say much any more since Glen A. defeated him for the honors in intramural checkers. . . .

About 45 boys have gone in for wrestling. They are divided up into five weight divisions, as 95 pounds and 115 pounds. . . . The annual inter-class track meet was not held last week because of the weather. . . . The tennis team was to have played a match last week, but it too had to be postponed because of the rain.

Band Concert

The evening of April 13 the band will enter a judged contest held at Princeton. This is one of the meets between Geneseo, Mendota and Princeton.

Besides the band there will be several solo contests. They are cornet, trombone, sousaphone, clarinet and also an ensemble. The public is cordially invited.

RED OAK

Red Oak—Mr. and Mrs. Sam Gerber, George Albrecht and Harriet Albrecht left for Canada Tuesday morning to attend the funeral of their cousin, Lee Albrecht. They returned on Thursday.

On Tuesday evening the Young People's Sunday school class held their class party at the home of Alberta Ioder in Ohio. About 20 members were present. After the usual business meeting games were played. At a late hour refreshments of angel food cake and ice cream were served.

Robert and Paul Albrecht, Elain Guither and Cecil Goss returned Monday afternoon to Naperville, to take up their school studies for the remainder of the year.

Miss Viona Guither came home from Naperville Friday evening and returned on Sunday to Naperville where she has been caring for

her grandmother, Mrs. Sarah Atting.

Mr. and Mrs. Charles White of Walnut and Mrs. John Meyer of Tampico called at the Ed Guither home Wednesday.

Robert Hammerle and Dale Flaherty were supper guests at the John Meyer home near Tampico on Tuesday evening.

Friends of Anita Guither will be glad to hear that she is sitting up for 35 minutes a day. Anita has been bedfast for the past six months.

Mrs. Sam Baumgartner and Ethylmae Baumgartner were Dix-on visitors Monday afternoon.

Bud Wangelin is driving a new Chevrolet coupe.

Ezra Guither is driving a new standard Chevrolet coach.

Marlouise Hammerle is home from school for this week. The Walnut grade school has closed for a week on account of a case of scarlet fever in the lower grades.

Dorothy Mae Burkey spent the weekend at the Ed Guither home in Walnut.

Word was received by Mr. and Mrs. Ezra Guither that their son Myron, teacher of band and orchestra at Waco, Tex., broadcasted with his band over WCCO at 12:30 Thursday p. m. He will broadcast again April 11 at 9 a. m. over WACO.

Mr. and Mrs. John Hammerle and Marlouise visited at Tampico Wednesday afternoon.

Robert Hammerle spent Sunday in Freeport.

Mrs. Ed Guither is now able to sit up in a chair about one hour at a time. She has been confined to her bed since Jan. 1 with a broken hip.

The Women's Missionary society met Thursday afternoon at the home of Segre E. Wait, with Mary Baumgartner assistant hostess.

The pictures of Norway shown at the Lee public school Saturday evening were very interesting. Because of the rainy weather there was only a small crowd.

PWA ENGINEERS

HARNESSE SEWAGE GAS
Washington—(AP)—Engineers of the Public Work Administration have succeeded in converting sewage gas into motive power for generating plants.

Three such projects, located at Coney Island, N. Y., Peoria, Ill., and Durham, N. C., are in operation.

PWA consulting engineers estimate at least \$25,000 annually will be saved at the Peoria project. The sewage gas there had been burned as waste.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A more bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. See.

ON TOUR OR IN TRAFFIC BE MERRY
WITH YOUR ENGINE OIL-PLATED

You can laugh off your old doubts about warm-weather engine oiling, because Oil-Plating is so terribly hard to rub off, scrape off or burn off. Here's one form of lubrication which is not a mere shifting temporary oil-film. For in addition to the normal moving type of film, vastly strengthened, Conoco Germ Processed oil forms a stationary Oil-Plating.

The explanation is that patented Germ Processing makes this oil really plant itself on bearings, shafts, and up-right surfaces too, such as cylinder walls. Not even the good old Law of Gravity can make Oil-Plating drain down. It's

always up there all the while your car is parked, or showing its heels in the open. None of that much-mentioned starting risk for you. . . . No anxious eye on the heat indicator. . . . Amboy Athlete Selected One of Twenty-Five Best In Illinois at Banquet

Covill Selected By Coaches At Illini Dinner, Urbana

Floyd Covill, star athlete of Amboy township high school, has been appointed one of the 25 best prep athletes in Illinois.

Covill received this signal recognition at the recent Illinois Foundation banquet honoring Wendell Wilson, newly appointed athletic director at the University of Illinois, and Seward C. Staley, director of the school physical education at the university. The banquet was sponsored by the Illinois Foundation, the Champaign-Urbana Chamber of Commerce and the University of Illinois Alumni Association.

Other prep athletes chosen with Covill among the 25 best were Louis Coletta of Rockford, 1936 football team member and a member of the mythical all-state basketball team of 1937; Hamilton and Peterson of Moline; Buck, Cronin and Mizen of Proviso high of Maywood; Park and Minick of Decatur; McCarty of Springfield; Ehni of Pekin; MacDowell of Oak Park; Nelson of Riverside; Culver of Freeport; McDonough of Elgin; Rogers and Shirk of Bloomington and Staley of Mt. Pulaski.

Covill is a senior at Amboy high. During his term there he has won several major sports letters, three in track, two in football and two in basketball. In football he was the mainstay of the team this year at fullback and played as guard on the basketball team. He was elected co-captain in football last autumn.

The 25 best athletes were picked by officials and coaches present at the Illinois Coaches Association meeting held at the university during the state basketball tournament, March 18-19-20.

Lancaster Chairman
At the banquet, Superintendent A. H. Lancaster of Dixon high school was appointed temporary chairman of the Illini club, L. S. Griffith of Amboy was appointed temporary secretary. They in turn appointed W. I. Dewees official delegate from Amboy. Attending the banquet also were T. L. Traugher and Floyd Covill of Amboy.

The banquet especially honored Wilson, Staley, also the championship Big Ten Illinois basketball team, the wrestling team and the 25 best athletes.

TREE CHOPPING MAIN EXERCISE FOR BRADDOCK

Snow, Mud Prohibit Road Work, Golf At Stone Lake

Stone Lake, Wis., April 7—(AP)—Chopping down trees in the woods surrounding his camp and sawing them into firewood length to heat his cabin will be the extent of James J. Braddock's training activities for possibly two weeks.

The world's heavyweight champion said today he would indulge in no boxing for at least that time. Road work is out of the question because of the muddy, soggy condition of the road, made almost impassable even to motor cars due to melting snows.

Snow Banishes Golf
Any hopes that Braddock had of playing golf vanished because a storm left half a foot of snow on the course at Hayward, 24 miles away. Although Braddock brought his clubs along, he probably will not get a chance to use them until May 1.

He must devote his time as a result to chopping and sawing. Robb Lippman, Braddock's trainer, is a strong believer in a boxer wielding an ax to toughen his hands. He is convinced that the exercise also sharpens a fighter's punches. Lippman is a trainer of the old school, having trained Braddock for 12 years and previously having conditioned Benny Leonard, former lightweight champion, Gene Tunney and other noted ringmen.

BETTER NATURE WON

Here and There In Sports World

By Eddie Briets
New York, April 7—(AP)—Was it a coincidence that Paul Waner's announcement that he is ready to talk business with the Pirates came the day after young John Dickshot, his successor in right field, got five for five? . . . How's this for press agenting? . . . Bill Cobb, ballyhoo expert at Louisiana State, writes, "Confidently, we may have another great team down here next season." . . . Leading "rookies" on the St. Louis Browns are Lou Koupal, 37, and Sheriff Fred Blake, 38. . . . Gabby (Old Sarge) Street owns a dozen fine homes at Joplin, Mo., and isn't worrying which way the baseball winds blow.

Nebraska doesn't like the way Creighton University is dipping into the Omaha high school football talent. . . . Hank Leiber, bearded by Bob Feller Sunday, still has a headache. . . . Incidentally, the only man to get a hit off Feller this spring is Douglas Dean, New Orleans infielder. . . . Dean is called "Donkey" by his teammates because of his big ears. . . . They say if he'd run a hundred yards he'd take off. . . . The heat must be terrible down at Clearwater. . . . Here's John Gorman, Brooklyn business manager, predicting a pennant in 1940. . . . Burleigh Grimes may find it will take more than fancy uniforms to disguise those Dodgers.

Larry (Moon) Mullins, former Notre Dame, now coaching at Loyola (New Orleans) is the first coach to introduce the Rockne system into a major school in Louisiana. . . . While in Germany for the Olympics Archie San Romani, the runner, got a group letter from a hundred cubs at Kansas Teachers' College. . . . Archie took time out to answer each gal individually. . . . Dave Tyler, Hartford high school star who holds the interscholastic 220-yard free-style swim record, is ticketed for Yale via Mercedesburg Academy. . . . The Indians already are picking the Giants to repeat in the National league.

What happened to bust up the friendship among Tony Lazzeri, Frank Crosetti and Joe DiMaggio of the Yankees? . . . One correspondent wires they scarcely speak off the field. . . . Tony and Frank stuck together. . . . Joe goes it alone. . . . Last season they were inseparable. . . . Lester Patrick, manager of the New York hockey Rangers, isn't superstitious but he refuses to change suits while his team is in a winning streak. . . . He's been wearing the same duds since the Rangers beat Toronto in the opening playoff game. . . . Leonard Ott (no relation to Mel) golf pro at the Green Gables club at Denver, shows signs of being one of the guys to watch in next season's money events. . . . Missouri high schools have ruled out the javelin event as too dangerous.

WINNER OF 37 300 GAMES TO ROLL TONIGHT
New York, April 7—(AP)—Joe Falcato, former national match game champion will make a delayed debut tonight on the American Bowling Congress alleys, Falcato, long a star in the metropolitan district, has a total of thirty-seven 300 games to his credit. He was scheduled to roll earlier in the tournament but a wrist injury has kept him on the sidelines.

Both Falcato and his team, the Hotel George Washington quintet of New York, will be facing a big job. The St. Thomas team of Philadelphia rolled into third place with 2,877 last night to boost the five man marks and William Cliffe of Utica, N. Y., took third in the all events with 1,922.

Falcato, a big favorite in New York, was injured in an accident just before the tournament opened.

The standings:
Five man event: Pastime A. C., Syracuse, N. Y., 3,045; Eckhardt and Becker, Brexton Co. Detroit 3,043; St. Thomas Philadelphia 2,977; Prager Beer, Chicago 2,975; Lins Weiners, Milwaukee 2,961; two man event—unchanged, individual event—unchanged.

All events:
Alex Carey, Belle-ville, Mich., 559 705 693—1,957
M. De Bridget, New York, 580 714 633—1,927
W. Cliffe, Utica, N. Y., 641 671 610—1,922

FELLER AFTER AGE-OLD JINX THIS SEASON

Has Chance To Win 20 Victories At Youthful Age

New York, April 7—(AP)—Youth will be served, but not apparently on the pitching mound. Young Bob Feller, shooting at the tender age of 19 for 20 victories in the American league, this season, defies a baseball superstition as old as Grover Alexander, a superstition upheld eloquently by statistics which show that hurlers achieve stardom and 20 victories late in their baseball careers.

A DiMaggio may be smothered in headlines his first year up, a Frisch may step from the campus to the Giants' infield, but hurlers are usually 25 or older before they crack the 20 game mark.

Is Boy Wonder
If young Marse Robert cracks this 36-year-old jinx, he's the real McCoy as a boy wonder, successor to a great tradition.

First of the great wonder children was Christy Mathewson. "Big Six" was a real one and proved it by winning 21 games for the Giants in 1901, when, fresh from Bucknell and a brief apprenticeship in the minors, he was 21.

Citrus belt sages link Feller's name most often with Walter Johnson, Old Barney broke in with the Senators in 1909 at 20 but he was something less than a whirlwind with five wins and nine defeats. Three years later he won 25 games for a seventh place club and started his 20-year partnership with glory.

MRS. ETHEL MARS HAS KENTUCKY DERBY TALENT

Five-Ply Entry Has Quality And Numerical Strength

By Orlo Robertson
New York, April 7—(AP)—Mrs. Ethel V. Mars, America's first lady of the turf, is bidding for the 63rd running of the Kentucky Derby at Churchill Downs May 8 with a five-ply entry that boasts quality as well as numerical strength.

Heading the delegation from the Chicago sportsman's Milky Way farm at Pulaski, Tenn., are Reaping Reward and Case Ace—two of 1936's outstanding juveniles. The others include, Murph, a sprinter of no mean ability; Jawbreaker, of which little is known, and Military, which ran second to William Dupont Jr.'s Fairy Hill in the \$50,000 Santa Anita Derby last winter.

Reaping Reward is considered the stable's real threat, however, ranking only a notch below Pompon and Brooklyn in the future books at 10 to 1. This son of Sickle won only five of his 15 starts as a two-year-old but wound up the year with two victories that stamped him as a route-running horse.

Whipped Pompon
He whipped Pompon by a nose in the mile and 70 yards of the New England Futurity and then came back a week later to take the mile of the Kentucky Jockey Club Stakes at the Downs.

Case Ace did not get a chance to show whether he could go the route last year. He's bred for it, however, being by Teddy, a grandchild of the great Gallant Fox line. His dam Sweetheart, was one of the swiftest mares ever seen in the west and is

Fort Worth, Tex., April 7—According to Dr. Earl Painter, trainer of the New York Yankees, Joe DiMaggio may be on the bench for six or seven more games. DiMaggio strained his throwing arm by cutting loose with several hard heaves.

Clearwater, Fla.—As the Dodgers broke camp today, five members of the team were still on the hospital list with shortstop Tony Malinosky almost definitely out for opening day. This means Jack Hudson will be the Dodger shortstop when the season opens.

San Antonio, Tex.—The Browns practiced today, their last open date before April 16, the day they return to St. Louis.
Albuquerque, N. M.—The Pittsburgh Pirates met the Albuquerque team today with Jim Weaver and Bill Swift on the mound.

Shawnee, Okla.—Jack McCarthy, heir apparent to Bill Terry's first base job on the New York Giants, has begun to hit as a result of Memphis Bill's tutelage. McCarthy is batting .430 thus far in the Giants series with the Cleveland Indians.

Shawnee, Okla.—Withlow Wyatt, Cleveland right hander, will be out of uniform for several days with an infected right wrist, the result of a slight scratch.

Daytona Beach, Fla.—Rained out in Leesburg, the Cincinnati Reds came here today, hoping to make it two in a row over the St. Louis Cards.

El Paso—Chicago's White Sox and Cubs squared off today for their last meeting until they open a three-game set at Chicago April 16. Leroy Parmelee was slated to pitch for the Cubs, while Ted Lyons was slated to pitch for the Sox.

A \$10,100 yearling, Case Ace won his first three starts, including the Arlington Futurity, and \$37,790. A blind splint, said to have been caused by a stall injury, is believed to have led to his defeat in the Hopeful at Saratoga.

GELBERT NAMED REDS' SECOND SACKER, 1937

Daytona Beach, Fla., April 7—(AP)—Charley Gelbert, whose playing days with the St. Louis Cardinals were cut short by a hunting accident in 1932, was named today as the Cincinnati Reds' regular second-sacker for the 1937 season.

Staging one of baseball's outstanding comebacks, Gelbert has almost completely recovered from a leg injury suffered in the accidental discharge of a shotgun and

LAY EGGS 22 YEARS
Guyton, Okla.—(AP)—M. R. Rose, farmer near here, has three hens whose ages, he says, total 68 years.

Rose says the hens, of brown leghorn stock, have been laying eggs for more than 22 years.

Thil, Steele Spar For Middleweight Title Ring Bout
Tacoma, Wash., April 7—(AP)—A final answer to the fistie question, "Who is the middleweight champion?" appeared possible here today as sparring began for a bout between Freddie Steele, Tacoma's pride, and Marcel Thil, venerable French boxer.

Dave Miller, manager of the Tacoma man who bases his claim to the title on three victories over Eddie (Babe) Risko, announced he was willing to sign Steele for a fight with Thil in France.

For years, the title question has been complicated on Thil's unwillingness to fight outside his own country.

Thil won his title in Paris on Gorilla Jones on a foul June 11, 1932. Since that time, Thil has fought no one outside France.

Miller today displayed several letters regarding a possible Thil fight. One outlined a plan for the fight to be held under government auspices during the Paris exposition this summer with referee and judges "guaranteed."

HAWAIIANS ARE IMPRESSIVE IN JUNIOR BOXING

Islanders Win Two of Six Victories By Knockouts

St. Louis, April 7—(AP)—A flashy band of fighting little brown men from the Hawaiian Islands proved they didn't travel the long distance only for the ride as they headlined last night's opening card of the national A. A. U. junior boxing championships here.

Five of the six islanders came through with victories—two of them by knockouts—to lead the visiting parade into the semi-finals and finals scheduled for tonight.

St. Louis, with a heavy entry list, placed eight men in the semi-finals, while the Hawaiians were close pressed for honors by the Chillico Indian school, which advanced four men into the scramble for titles.

Bloomington Men Survive
Bloomington, Ill., has two men remaining in line.
Fighters who won by knockouts included Erick Koberg, St. Louis featherweight, over Jack Sanders, Bloomington, Ill.

Semi-final round pairings include:
Heavyweight—Bill Woodall, Memphis, vs. Homer Davis, New Orleans; Francis Shoulderblade, Chillico, Okla., vs. Arthur Baschert, Bloomington, Ill.

Lightweights—Meyer Katzman, St. Louis, vs. William Humphries, St. Louis; Frank Fernandez, Honolulu, vs. Al Morrison, Bloomington, Illinois.

GOLF PROS EYE \$1250 PRIZE OF GARDEN TOURNEY

Close Winter Circuit At Charleston, Byron Nelson Missing

Charleston, S. C., April 7—(AP)—More than 50 leading golf professionals, a bit travel-worn but seeking to add a last bit of cash to the old bank roll, trained their sights today on the \$1,250 prize in the Tournament of Gardens.

It was the end of the winter trail on the circuit, where pocketbooks were inflated by the salaried players, and Saturday night they will hand out checks totaling close to \$7,000 to the low scores in the 72-hole scramble.

The field of close to 55, augmented by several fine amateur shotmakers, included most of the leading professionals who came here from the annual Augusta national tournament that featured the annual return to competition of one-time world champion Bobby Jones.

Missing, however, were Byron Nelson of Reading, Pa., who won at Augusta in a garrison finish, Tony Manero of Salem, Miss., the national open champion, and Denny Shute of Boston, national P. G. A. titleholder.

LAURI TIED WITH GREENLEAF FOR BILLIARD LEAD

New York, April 7—(AP)—Onofrio Lauri, a Brooklyn veteran, who has been knocking on fame's door for many a year, was tied with Ralph Greenleaf of New York for the lead in the world's pocket billiard championship today.

Lauri turned in the tournament's most spectacular game last night when he shut out Benny Allen of Kansas City, like Greenleaf a former champion, 125 to 0 in five innings and tied Greenleaf for the first place.

Greenleaf's own brilliant effort against Joe Diehl earlier in the day was more than matched by Lauri's game. Greenleaf set Diehl, 125 to 1, in ten innings. The match came after the tourney's longest one in which Fay Gainer of Vineland, N. J., defeated Charles Seaback, of Boston, 125 to 109, in 50 innings.

Caras is in third place with Edwin Rudolph, Cleveland, fourth and Marce Camp, Detroit, fifth.

BEGIN PICKING RYDER CUP TEAM MEMBERS TODAY

Six Already Chosen To Meet British Late In June

New York, April 7—(AP)—The scramble is on.

As President George Jacobus of the Professional Golfers' Association today named six members of the United States Ryder Cup team which will meet the British at Southport, England, June 29 and 30, the other eligible and hopeful candidates began tuning their strokes for the remaining links tests which will decide the winners of the four vacant places.

Definitely allotted posts on the American squad, in addition to non-playing Captain Walter Hagen, are Gene Sarazen, veteran of all five previous cup clashes; Denny Shute, P. G. A. champion; Tony Manero, U. S. open champion; Horton Smith, the putting paragon; Henry Picard and Johnny Revolta.

Jacobus announced their names after a conference with Ed Dudley, chairman of the P. G. A. tournament committee. The committee, which also includes Leo Diegel, Clarence Clark, Olin Dutra and Frank Walsh, met during the recent Augusta tournament.

A new method will be employed in picking the four remaining team members. A group of at least 12 candidates will be named after the sectional qualifying rounds for the P. G. A. championship.

The four players of this group who compile the lowest averages during the 36 hole qualifying rounds for the P. G. A. championship.

The four players of this group who compile the lowest averages during the 36 hole qualifying round for the P. G. A. at Pittsburgh, May 24 to 30, and the 72 holes of the National open at Oakland Hills, Birmingham, Mich., June 10 to 12 then will fill the vacancies.

Mrs. Hanson spent the weekend in Chicago with her sister.

Merle Morgan who has conducted a pool room here the past year, discontinued it Saturday night. That leaves one pool room now which is conducted by Jesse Marvin.

William Holley was taken to Dixon hospital Wednesday where he is receiving treatment and observation.

Frank Mates had the misfortune to fall and injure one of his ribs very badly. While his condition is not serious, he is suffering much pain.

George Hain, Mrs. Ada Peterman and family were Sunday dinner guests at the home of Mr. and Mrs. Foster Matten.

We received a letter from Mrs. Clyde Speck who informs us that her mother, Mrs. Mary Bratton, is somewhat improved from her illness and is able to be up and around in her room, but as yet had not been downstairs owing to the weak condition of her heart. Mrs. Bratton received a number of Easter greetings from her friends and found much pleasure in them.

Mr. and Mrs. John Vogt were called to Rockford Friday by the serious illness of their granddaughter, Roseann Frohs. At this writing she is much improved.

Howard Biesecker motored to Jefferson, Wis., Sunday and was accompanied home by his wife who has been visiting relatives there since Thursday.

Mrs. Will Crawford entertained the Priscilla club at her country home Friday afternoon. The time was spent in sewing and social visiting. At the close of the afternoon lovely refreshments were served.

Mr. and Mrs. Will Trowbridge entertained for dinner Sunday, Mr. and Mrs. Ralph Bates and son Dean of Freeport, Mr. and Mrs. Daniel Miller and daughter Miss Eunice, Mr. and Mrs. Claire Colwell and son Donnie, Mr. and Mrs. George Miller and daughter Vivian, Mr. and Mrs. Art Brucker, Mrs. Rebecca Colwell and daughter Miss Blanche, J. T. Gilbert, Joe Gilbert and Misses Eunice and Lucy Gilbert of this community.

Mr. and Mrs. Arthur Schaefer and family were Sunday dinner guests of his parents, Mr. and Mrs. Henry Schaefer.

Mrs. Mae Cleaver and daughter of north of town have rented the late John Hewitt property and will move here in the near future. Mrs. Cleaver is well known here, being a sister to the late Mrs. Henry Ling.

Mr. and Mrs. Blaine Hussey motored to Aurelia, Ia., Sunday where on Monday they attended the funeral of her uncle, Frank Scott. Mr. Scott was aged about 78 and was born north of town. He was the son of the late Mr. and Mrs. T. W. Scott. We hope to publish the full obituary in Saturday's items.

Dr. Chase of Dixon enjoyed his Sunday with Mr. and Mrs. Charles Bill at this place.

Mr. and Mrs. Ray Senger of Elgin were Sunday guests at the home of his brother, Frank Senger and family.

Nelson Thompson, driver for the Trowbridge Trucking company, spent the weekend with relatives in Oakland, Ia.

Mr. and Mrs. Lawrence Canfield and daughter of Dixon were Sunday guests in the home of her father, George S. Ives.

Miss Helen Ling who teaches school in Rockford was here Sunday.

Mrs. Ed Holbrook of Dixon was here Sunday afternoon to see her uncle, Joel Senger, who is seriously ill.

Mr. and Mrs. D. O. Wiegell are staying with their parents, Mr. and Mrs. F. J. Blocher, Mr. and Mrs. Dave Wiegell, at this place until their new home in Amboy is ready for them.

Mrs. Clarence Miller successfully carried out a birthday surprise on her husband Sunday, it being his birthday anniversary. Those present were: Mr. and Mrs. Sam Smith of Broadhead, Wis., Mr. and Mrs. George Robinson, Mr. and Mrs. Earl Morris, Mr. and Mrs. Hinzelman and family, Mr. and Mrs. Leo Withey and family, Clarence and Herman Morris of this community. We join with Clarence's large circle of friends in wishing him many more happy birthday anniversaries.

Mrs. Arthur Goldberg returned to her home in Chicago Sunday afternoon after a visit of a week in the home of her father, Louis Zoeller.

Mrs. Henry Hicks entertained the W. C. T. U. at her home Friday afternoon. The program was in charge of Miss Adella Helmershausen. At the close of the program lovely refreshments were enjoyed.

Plans are being made for the Mothers and Daughters banquet which is to be held Friday, April 16. We hope to have the complete program published Saturday. It is

expected to have this one of the largest of any held yet.

At the meeting of the Lee county assessors held in Dixon Thursday Assessor Guy Wasson of this place was chosen secretary of the meeting. A few items might be of interest and also explain a few things. H. E. Buckles of LeRoy, a member of the commission, addressed the meeting in the morning and shed some new lights on the assessors' duties. He told the assessors that postal savings are assessable as are other stocks and bonds. Corn in the crib to be fed to herds of feeding cattle on hand April 1, is assessable, as are the cattle to be fed. Don't blame the assessor if he asks a lot of questions. That is his duty.

The Rockford Morning Star of Sunday carried the notice of the death of little Carolyn Yingling, only child of Mr. and Mrs. George Yingling, and granddaughter of Mr. and Mrs. Abe Yingling of Rockford, former residents of this place. The little girl was born in Rockford, May 11, 1930, and died at the St. Anthony hospital in Rockford Saturday afternoon after a brief illness. Carolyn was well known here, having spent most of the summer months with her grandmother, Mrs. Yingling, here. Funeral services were held Monday afternoon and burial was in Rockford.

Money Spent Wisely
The proceeds received at the home talent play sponsored by the P. T. A., will be used for various purposes, such as transportation of the contestants to Mt. Morris Saturday. Miscellaneous expenses brought out at the recent election for the Community house.

Coming School Elections
Saturday, April 10, is the date of the annual school board elections. Members whose terms have expired will run another three-year term. Voters in district No. 250 will elect two board members and those residing in district No. 58 will elect one member as in the past.

The average citizen takes but a halfhearted interest in these elections, saying to himself, why bother, or else forgetting entirely. This to a certain degree is a natural reaction, as the office of a school board member is little desired, since it offers no pay and yet grave responsibility. Should the school board member differ in opinion or make some slight mistake he is roundly censured, while on the other hand if the board wisely operates the schools few notice or comment on the fact. We believe Franklin Grove has both a fine high school and a fine grade school. Such a school must reflect the work of an experienced school board—one with foresight and vision. One way of keeping a good school is to encourage men of ability and experience to work on these boards. May we suggest that outgoing members of the present school boards can be re-elected by a good complimentary vote—they deserve this honor. Below is a list of the two boards that serve this community.

District No. 250
William Brucker—Unexpired.
Blaine Hussey—Unexpired.
Ira Buck—Unexpired.
Fred Gross—For re-election.
Wilbur Emmert—For re-election.
District No. 58
Fred Gross—Unexpired.
Earl Fish—Unexpired.
George Spangler—For re-election.

Woman's Club Notes
The Woman's club held a special meeting Monday, April 5 at the home of Mrs. Pansy Biesecker. This program was in memory of our departed members and a program "In Memoriam" took the place of the regular roll call. Mrs. Elizabeth Crawford was in charge of the program which opened with all present singing "When They Ring Those Golden Bells for You and Me." Devotions and a poem were read by Mrs. Bessie Wendell. Mrs. Grace Breuninger read "A Letter to God" which had been published in the Good Housekeeping magazine.

Vocal duet, "Ivory Palaces," sung by Mrs. Lucille Kinsley and Miss Barbara Group.

Mrs. Minnie Hawbecker read the names of our departed members. They were:

Mrs. Minnie Bolei, Mrs. Minnie Baltzley, Mrs. Hannah Conlon, Mrs. Tracy Dysart, Mrs. Anna Grimm, Mrs. Romanza Greeley, Mrs. George Ives, Mrs. Charles Kelley, Mrs. Martha Lincoln, Mrs. Rosamond Ling, Mrs. Bert Morgan, Mrs. Mary Maiden, Mrs. J. B. Thornton and Mrs. Anna Trottnow.

Mrs. Elizabeth Durkes read "Tribute to These Departed" by Edgar Guest. She also told some interesting things about each departed member, also of the talents they had.

Poem "In Memory," given by Mrs. Katherine Herbst.

The program in memory was closed with the club singing "God Be With You 'Til We Meet Again."

I'm sure all present enjoyed the program and each one I'm sure stimulated a little more by having heard the good, our departed members have done.

An art exhibit made it possible to see some of the beautiful things these members had made and they are still with us making us a little happier for these efforts.

The reading of the minutes by

our secretary were approved as read.

Treasurer's report was approved. The balance on hand is \$83.94.

It was voted that the Woman's club would furnish our new gymnasium with silverware. Those appointed on the committee to select and buy it were: Mrs. Elizabeth Durkes, Mrs. Mary Miller and Mrs. Ruth Hussey.

It was also decided to price dishes to furnish said kitchen. The committee appointed were: Mrs. Faith Cravens, Mrs. Harry Kint and Mrs. Guy Moulton. If our funds are enough they will also be purchased and if not this will be one of our projects for next year.

It was put up to a vote, "Shall we have a nominating committee or the regular ballot system for election of our new 1937-38 officers for the Club?" No, 11; yes, 15. The nominating committee was appointed. They were: Mrs. Elizabeth Durkes, Mrs. Grace Stultz and Mrs. Grace Breuninger. Our new officers selected were:

President—Mrs. Ruth Duncan.
First vice president—Mrs. Pansy Biesecker.

Second vice president—Mrs. Lucy Ives.

Secretary—Mrs. Mary Miller.
Treasurer—Mrs. Ruth Hussey.
Financial secretary—Miss Clara Lahman.

Announcements

County meeting of Woman's club is to be held at Amboy, April 20.

District convention to be held May 6 at Dixon, Mrs. Elizabeth Crawford and Mrs. Dockery were selected as delegates for our club at this meeting. If these members are unable to attend, Mrs. Alma Dysart and Mrs. Less Smith if possible are to attend.

The state convention will be held at Peoria May 11-12-13. Mrs. Deewan and Mrs. Catherine Herbst are to be the delegates for our club.

It is interesting to know that the following have had a perfect attendance to all our meetings this year: Mrs. Elizabeth Crawford, Mrs. Minnie Hawbecker, Mrs. Ruth Hussey, Mrs. Marie Kint and Mrs. Minnetta Moore.

Twenty-eight members were present at this meeting and we are happy that there was such a good attendance as our regular April meeting is tomorrow afternoon, April 6, at the Presbyterian church. The Illinois Northern Utility company is sponsoring a cooking school for club members and a guest also, the Klio club and Priscilla club, are invited.

A booklet, Parliamentary Law, was read by our president. So we found out our defects and also our correctness of holding a meeting.

Our May meeting will be held on May 3 at the home of Mrs. Marie Kint. Topic is "Gardens." The speaker is Mrs. Mandeville. She also will talk on "Flower Arrangement." This is a timely subject and I'm sure all flower lovers will learn a lot of new and interesting things.

The social committee served a lovely luncheon. The committee were our hostess, Mrs. Pansy Biesecker, Mrs. Lucy Ives, Mrs. Myrtle Edgington, Mrs. Ruth Biesecker and Miss Barbara Group.

The meeting adjourned and all voted a very enjoyable afternoon. Faith Cravens, Press Chmn.

On Saturday, April 3, 1937, at 3:30 p. m., at the home of Mr. and Mrs. Vanner Fruit of Kirkland occurred the marriage of their son Russell Leroy to Miss Floris Foglesong, daughter of the late Mr. and Mrs. John Foglesong.

Preceding the ceremony, Miss Kathryn Bland of Kirkland sang "I Love You Truly." The wedding party took their places before an improvised altar of ferns to the strains of the wedding march from Lohengrin which was played by Mrs. Carl Kness of Chadwick. Appropriate music was played softly during the ceremony which was performed by the Rev. C. J. Hewitt, pastor of the First Methodist Episcopal church of Kirkland.

The bride was beautiful in a pastel blue mouseline de soie and lace gown with a corsage of sweet peas and tulle roses.

The groom was attired in a suit of coronation gray.

The bridal couple were attended by Miss Helen Fruit, sister of the groom and Paul Foglesong, brother of the bride. Miss Fruit was charming in cameo pink silk lace and wore a corsage of sweet peas and jaquimont roses. Sweet petals were strewn in the path of the bride by little Carol Kness of Chadwick, a cousin of the groom.

After the ceremony congratulations were extended and light refreshments were served by Jean-

tte Driscoll, Nancy Durr, Helen Wolfe and Mary Lou Weizel.

The bride, who is teaching in the South Grove school, is a graduate of Northern Illinois State Teachers college, DeKalb. The groom graduated from the Hemphill Diesel school, Chicago.

Mr. and Mrs. Fruit will reside on a farm in South Grove township.

Guests at the wedding were Mr. and Mrs. Dean Mutton, Richelle; Mrs. Alice Robinson and Lawrence Gibson, Sycamore; Jesse Living and Mary Hudson, DeKalb; Mrs. Selma Fruit, Franklin Grove; Miss Marjorie Fruit, Evanston; Mr. and Mrs. Carl Kness and daughters Muriel and Carol, Chadwick; Mr. and Mrs. George Bland, Malvern; Irene and Kathryn, Mr. and Mrs. Nathan Rollins and son Gerald, Mrs. Mamie Tindall and daughter Martha, Mrs. Oliver Johnson and the Rev. and Mrs. C. J. Hewitt, Kirkland; and Paul Foglesong of De Soto, Mo.

Mr. and Mrs. Vanner Fruit lived for many years in the vicinity of Lighthouse. Russell is well known at Lighthouse and in this community.

Birthday Honored

Mr. and Mrs. James Condon entertained Friday night honoring the birthday anniversary of their daughter Miss June who was 21 years old. Those present were J. H. Lincoln, Mrs. Ella Miller, Mrs. Ruth Kelley and children. We join in a large circle of friends in wishing Miss June many more happy birthday anniversaries.

W. C. T. U. Notes

The W. C. T. U. met on Friday, April 2, with Mrs. Henry Hicks. The meeting opened with devotion, led by the president, Miss Adella Helmershausen offered a prayer. A vocal solo, "The Five-

Pointed Star," was sung by the president, Mrs. Bessie Blocher.

A short business session followed, with discussion of various plans for temperance education. The treasurer reported that our quota for the Willard Memorial Educational fund is over three-fourths subscribed. If the remaining one-fourth is obtained before June 1 we shall be a "Gold Star Union," a high honor. This is an opportunity for all citizens who are interested in the raising of a million dollar fund for temperance education, to contribute. All gifts will be gratefully received. The money is to be used for this one purpose alone and no other.

Miss Helmershausen, program leader, then took charge of the program, which opened with a beautiful Ritual of Praise and an impressive candle-lighting service. The program topic being "The Purposes and Principles of the Woman's Christian Temperance Union," the leader gave a most interesting and inspiring sketch of the founding of the organization in the early 70's and its constant advance under the leadership of Miss Frances E. Willard and other great women. She then presented to each one present, a leaflet with a picture of Miss Willard and an original article entitled, "When Frances E. Willard Came to Franklin Grove." This was in the old days of our great Temperance Camp meeting, when people from all over the state came to our town and camp ground to head the noted men and women who visited us and enthused us with their inspiring words. On one of her visits here, Miss Willard organized the local W. C. T. U., and we are indeed proud of our great heritage.

The program closed with vocal and instrumental music, also group singing. Delicious refreshments were served by the hostess.

Attended Contest

Miss Elizabeth Chronister and Miss June Hatch represented the high school at the sub-district contest held in Mt. Morris Saturday. Elizabeth featured in high soprano and June in low voice, the latter placing third. In double quartet were Ione Butterbaugh, Elizabeth Chronister, Georgia Peterman, Hazel Blume, June Hatch, Marie Black, Betty Wasson. The Glee club was composed of Ione Butterbaugh, Alice Jacobs, Hazel Blume, Bernice Hartzell, June Hatch, Betty Wasson, Georgia Peterman, Doris Howard, Robert Kint, Mildred Unger and Margaret Ehnman. We regret, as does all of the school, that they were not placed. The girls and their instructor worked hard but weren't just good enough. Supt. Neil A. Fox and Mrs. Medrie Hussey furnished the cars to take the girls. Plans are already being made for next year and we all hope for better results.

Digging in the Departments

Sociology is the little-discussed, all-important subject that was added to our school curriculum this year. The course deals with major current social and civic problems, such as "Honesty in Business," "Individualism in America," race and population problems, and the one we are now studying, "World Peace." It is a course in ideas, not facts. There is no final word on any subject, for everyone's ideas is as good as another's when dealing with current problems.

Free discussion is encouraged and the students' views and private solution desired. The problems are all practical, in that every person will at some time or other in his life meet these very

same problems and questions, and shall have to make a decision.

In studying peace, we are using a series of new books written very recently, dealing with peace and war and the chance of war in the world today. Reports are assigned to the students from these books and the reports are then given orally in class.

We are at present spending more time on the study of peace than we have on any other subjects, for with one war in Europe at present, and many other possibilities of wars in the future it is a most vital question that needs world-wide discussion. Sociology classes all over the United States deal with this and many other problems. The youth of America is trying to forestall the problems of tomorrow by solving them today.

News of Coming Events

We are now enjoying a five-day spring vacation. The first vacation spring vacation that there has been in this school for many years, begins on April 8, and will continue through April 12.

The G. A. A. will send a delegation of five girls to the "Play Day" held at Steward on May 1. Steward is a member of the state G. A. A. and is entertaining this district of schools in the regular or state association function of spring Play Day.

Grade School News

Recently, the fourth, fifth and sixth grades organized and formed a health club.

The purpose of this club is to teach, in the form of talks by children, the fundamental health habits a child should follow.

The program of each meeting that is held once every two weeks is made up entirely of pupil activities. They are given full responsibility of planning and carrying on the program. Each pupil has an opportunity to take part

By so doing, the pupil feels that he is a part of the club and an interest is created.

The officers of the club are as follows:

President—John Howard,
Vice president—Marion Stillwell,
Secretary—Rosemary Peterman,
Treasurer—Maurice Heckman.

Time to Consider Alcohol
"Shall the sale at retail of alcoholic liquor be prohibited in the Village of Franklin Grove, County of Lee and State of Illinois?"

To vote dry, vote yes.
People talk about the "right" to drink liquor.

What about the right to be safe on the streets and highways.

What about the rights of the people to quiet and decency in the neighborhood?

What about the right of the children to food and clothes?

What about the right of wives to have security and courtesy?

What about the right of mothers to know that their boys and girls will not be tempted to drink, in defiance of the law?

What about the right of industry to have workmen who are sober and dependable?

What about the right of all of us to have government officials who are free from the corrupting influences of the liquor traffic?

The Connecticut Motor Vehicle Department develops the following conclusions from the re-examination of drivers involved in accidents: "In the majority of cases traffic accidents seem to be caused by individuals who would operate their cars safely if police were in evidence—most can operate safely with sufficient skill to avoid mishaps."

SPRIG HAS CUB

FOR YOUR OWN GOOD HEALTH

Doctors say we're all a trifle more susceptible to colds this time of year and should be extra careful. Here are a few "cold preventives" on which Doctors all agree:

1. Plenty of sleep.
2. Take a reasonable amount of exercise.
3. Eat plenty of fruits and vegetables.
4. Be regular in your habits.
5. Don't worry!
6. If you feel "run down" don't put off seeing a reputable Doctor.

CHANGE MOTOR OIL..MAKE IT ISO-VIS "D"

YOUR STANDARD OIL DEALER IS THE "DOCTOR"

Just as you start drawing pretty heavily on your own physical reserves this time of year, after months of sunlessness and cold, so does your car begin to use itself up more rapidly—unless you give it this timely tonic: *drain and change motor oil!*

No matter how good the oil was when you put it in—or how many quarts you have added since—if you've been driving all winter without draining and flushing the crankcase, chances are you're wearing out your motor with dirty oil. Your car knows—it can feel it in its bearings—and now's the time, before you get into the heavy summer driving season, to prevent costly motor troubles which are bound to come if you're forgetful about your motor oil. Change grades, for the warmer temperatures. Make it long-lasting Iso-Vis "D."

Expensive Words

Included in the new independent offices bill, reported out by the Democratic-controlled House appropriations committee, is an item reading: "to provide a suitable inscription on the pedestal of the bust of former Speaker Joseph G. (Uncle Joe) Cannon in the rotunda of the old House office building."

Note: Speaker Cannon was a Republican bigwig for a generation.

Merry-Go-Round

Robert Granville Caldwell, now American minister to Portugal, is one of the few college professors who have made good at diplomacy. He is now being appointed minister to Bolivia. Caldwell began teaching in India, more recently was professor of history in Rice Institute, Texas. Representative Joe Mansfield of Texas has fathered a bill to appropriate \$15,000 for a laboratory to study "anaplasmosis." Anaplasmosis, in case you also don't know what it is, is a blood disease of cattle transmitted by ticks. . . . WPA workers protesting the abandonment of the technological unemployment study project, which has given hundreds of them jobs, are destined to disappointment. The labor department, planning to take over the study and put it on a permanent basis, will carry on the work with especially trained personnel. Only a few of the WPA workers will be retained in the new set-up.

National Art Week

In observing National Art Week the art department of the Woman's club sponsored a poster contest in which students from the Compton school and five rural schools took part. The teachers of the schools which entered the contest are: Mrs. Ruth Holdren, Mrs. Zella Swope, Mrs. Helen Beemer, Mrs. Irene Bauer, Mrs. Anne Miller, Miss Mildred Weisenel and Miss Esther Haefner.

The contestants were divided into two sections, the upper grade section including grades 5, 6, 7 and 8, and the lower grade section including the grades 1, 2, 3, and 4. The subject of the poster is "Our Pets." The medium was crayon, pencil sketch, ink sketch or cut out. All posters were exhibited at the Hobby Show.

There was a total of 67 posters entered with the following stu-

Roses

ROSES WERE an important part in the gardens of Ancient Rome. It is generally believed that the rose was the first flower to be cultivated for its ornamental value.

TO HAVE A good rose garden, we first of all must have good rose bushes to start with. A fair price must be paid if you want quality and this is as true with rose-bushes as with merchandise.

IN SELECTING your roses, keep in mind that a short stocky or heavy plant is better than a taller light one.

IN SETTING our roses, spread the roots out in the pit. Cut off bruised or broken roots with a sharp knife as otherwise decay is liable to set in.

ROSES ARE generally grafted upon some other understock. If suckers come up from the root stock, cut them out; otherwise they will spoil the rose in time.

ROSES SHOULD BE pruned in the spring before growth begins. During the summer the shoots that have blossomed should be cut back to within two or three leaves of their point of origin.

A GOOD PLACE for grass clipping is around the roots of your roses. As they get dry work them into the soil and spread fresh ones over the top.

THE INTENSITY of color in roses is apt to vary from season to season. A handful of iron filings in the soil around the roots will often keep red roses from bleaching.

PICK OFF faded rose blooms to prevent the ripening of seed. If the flowering stem is cut back on the hybrid teas, the new growth will often produce nice blooms later in the season.

dents receiving the awards: The upper grade section, Maxine Eggers, for the most outstanding and original. Daisy July, first; Betty Bauer, second; and Dolores Beck, third. The lower grade section: Charles Herrier, first; Donald Cook, second and Richard Zimmerman, third.

The posters were judged by Mrs. Fern McEachern, chairman of the fine art department of Rochelle Woman's club, and her committee of three judges.

It is the desire of the Woman's club in sponsoring this project to stimulate the interest of her child to observe more closely, to teach him importance of color and arrangement, and to develop in him a keener appreciation of art. We hope that interest will increase from year to year.

The art chairman wishes to express her thanks to each teacher and student who responded so willingly in helping to make our contract a success.

Transplanting -- A Year Around Job

Detailed Information Given for Spring, Summer, Fall Work With Seedlings.

Advised to Watch Distances Even When Plants Are Very Tiny.

A Good Transplanting Arrangement

We are always transplanting something in the garden or for the garden. This time of year we are concerned with seedlings grown indoors in boxes; in a short while we will be moving the plants in the cold frame and hotbed.

Later it will be the perennials which were started outdoors, and so it goes. Careful transplanting starts the plants on their way with little delay. Poor transplanting will kill many of those moved.

Dip a large enough hole to spread out the roots, firm the soil carefully about the roots, soak the transplanted plants into place, and shade newly transplanted plants from hot sun for a few days. These are elemental points in successful transplanting. Another factor is that of trimming the tops to balance the root system which is bound to be somewhat disturbed and shortened in moving. This is done by trimming off half the leaves.

For making holes to receive seedlings from seed rows or boxes, a

digger is the handiest tool. This is merely a steel or cast-iron rather blunt pointed instrument which you stab into the soil, give a twist, and the hole is ready for the plant. It is much faster than digging each hole with a trowel. The digger will also be very useful for bulb planting in the fall. You need one in your garden tool kit.

Observe distances carefully in transplanting. The little seedlings may look lost and lonely when put 2 or 3 feet apart, as in the case of zinnias, but remember the size they will attain if given a chance to do their best. Follow the directions for spacing on seed packets carefully. It will pay and you will get

more from your plants than if you crowd them so no plant can reach its best development.

Select a cloudy day if possible, and also preferably a cool one to avoid the wilting of the plants. Pour a little water in the hole before you set the plant and then soak it in afterwards. The object is to get the earth in as close and perfect as possible so that the roots will at once begin the work of supporting the plant and starting it into renewed growth.

A plant set on flower pots is the easiest way to shade a row of transplanted seedlings. Strawberry boxes should be saved for the purpose, as they are easily handled.

Mrs. Keeper received many lovely and useful gifts.

"I FOUND ANOTHER STORY WITH THE SURGE AND DRIVE OF 'MUTINY ON THE BOUNTY'!"

said FRANK LLOYD director of "Cavalcade", "Mutiny on the Bounty"

"I knew what Colbert could do in an emotional role... I cast her as the stout-hearted little 'Maid of Salem'!"

"For her swashbuckling sweetheart, who could carve his way with a good steel blade, I got Fred MacMurray!"

"The result is, and I know you will agree with me, the most powerful and authentic of all my productions; for sheer entertainment 'Maid of Salem' tops them all!"
